

Dear valued customers,

For our valued customers, we are always thankful for your contributions and input in ensuring that our company's products and services fit our customers' needs. We would not be in the position that we are today without your support and as such, we would like to extend our warmest thanks for your continuing support.

Based on the customer's suggestions, and comments we are grateful to announce that our product model numbers will be updated. The update will provide our customers with the utmost information about our products thus making each product easier to identify. The letters and numbers in the model number indicate the product's size, shape, color, depth, and material. While the model numbers have changed, our products' unmatched quality and superior customer service remain the same.

The official launch of our new product models will take place on January 3, 2023. To make the transition effortless we have attached a PDF file with all the information you will need.

Again, the Allora USA team wants to thank you for your loyalty. If you have any questions or concerns, please contact our sales team at sales@alloraus.com or by calling 571-291-8443.

Sincerely,

The Allora Team

THE COLOR CODE WILL MAKE IT EASIER TO IDENTIFY OUR PRODUCTS

PRODUCT NUMBER UPDATE FOR ALL **KITCHEN SINKS**

Previous Model Number

KH-3018

New Model Number

KH-3018-10-S-R0

ADA KH 3218 10 S R15 GM

Allora USA uses a unique format for all its model numbers. These numbers are more detailed than other brands. This is so that we can provide our customers with the most possible information about our products.

The various letters and numbers in the model number above indicate a few different characteristics such as size, shape, color, depth, and material. We color coded these to make it easier to identify.

If you have any questions regarding our model numbers or a certain product, please feel free to reach our sales department.
