# LEFEET S1 PRO

The Ultimate Modular Water Scooter

# LEFEET S1 PRO

LEFEET S1 PRO is a hi-tech water scooter which provides power propulsion to underwater divers. LEFEET S1 PRO is easier to carry and use due to its compact and lightweight design, with 3 speed-settings to meet your needs. The modular design provides for diversification of use and a safer overall experience for you.

# LEFEET S1 PRO

# LEFEET S1 PRO

-  COMPACT SIZE
-  MODULAR DESIGN
-  WIRELESS CONTROL
-  MULTIPLE SPEED SETTINGS
-  COMPLY AIRLINE POLICIES

# MODULAR DESIGN

Convenient to assemble and disassemble, achieving diversified playing way with various accessories

Dual Jet Rail Kit

Single Grip Rail Kit

Multi-Purpose Mount Kit

Scuba Booster Strap Kit

Scuba Tank Mounts

Floating Fins

# COMPACT SIZE

- Ultra light / Easy to assemble / Easy to carry-on
- Fits easily into luggage, take it with you to every dive resort around the world.

# EASY TO OPERATE

- Long press to start, short press to switch speed settings, one trigger to operate.
- Intuitive design, start using LEFEET S1 PRO right away.

# WIRELESS CONTROL

We upgrade S1 PRO's remote control distance, so it become farther and more stable

- Underwater wireless control technology liberates the inherent form.
- You can also pair multiple units at the same time for more fun.
- The underwater remote control distance is not less than 1m which makes application scenarios are more abundant.

# INNOVATION AND BREAKTHROUGH

- S1 PRO's main unit and remote control adopt A New Contactless Waterproof Buttons
- Without fear of changes in water pressure, underwater shifting is more comfortable
- The remote control adopts magnetic charging to prevent the hidden danger of water ingress

# PRODUCT COMPARISON

- Even though S1 is the most compact water scooter in the world, S1 PRO will be more compact than S1 from now on

# COMPLY AIRLINE POLICIES

Battery compliant with air carrying policy, making you travel all the world with no worry

## Battery

- Patented waterproof structure
- Replace battery quickly in 5 seconds

## WATER-RESISTANT UP TO 40 METERS

- Water-resistant up to 40 meters, explore deeper parts of the ocean with peace of mind.

40 m

# PACKING OF PRODUCT

# SPECIFICATIONS

## • MAIN UNIT

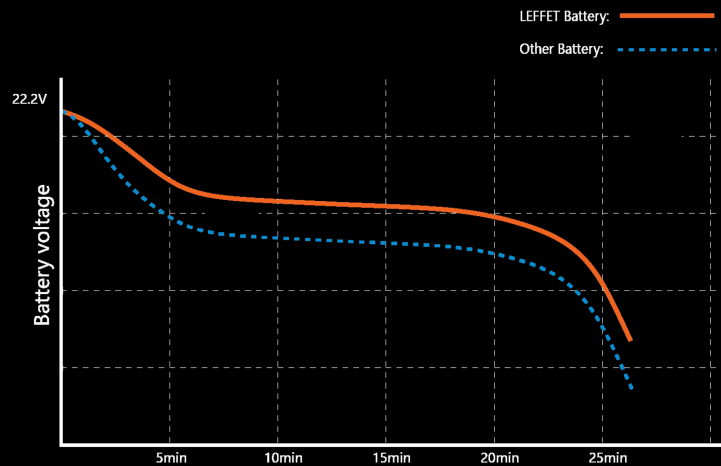

<b>Net Weight</b>	5.51lb (Including Battery)
<b>Dimensions</b>	11.8 x 11.8 x 6.3 in (Including Handle Bracket)
<b>Working Temperature</b>	32°F ~ 104°F
<b>Waterproof Depth</b>	131.2 ft
<b>Speed Settings</b>	Three modes: Low / Medium / High *
<b>Operating Time</b>	Main unit 35~70 mins/Remote control 2.5h (Normal Using) *
<b>Thrust</b>	17.6 lbf
<b>Add-on Support</b>	Support add-on sports camera *

- \*Note:
1. As the battery power is used up, the power of LEFEET S1 PRO will gradually weaken, and there will be an automatic speed reduction and speed shift. Even if the device is unable to be used at high or medium Speed Setting, this is a normal condition and should not be cause for worry;
  2. All the parameters are for reference only. The specific battery life will vary depend on your selection of Speed Settings, the user's body weight, as well as the environment and frequency of use;
  3. The Sports Camera Mount of this product only supports some types of sport cameras, while mounts for other types of cameras should be purchased separately.

## • BATTERY

Charging Voltage	25.2 V
Charging Current	3 A
Rated Capacity	4400 mAh
Rated Energy	97.68 Wh
Charging Temperature	50°F ~ 113°F
Charging Time	2.5h /Remote Control 1.5h
Net Weight	1.68 ± 0.044 lb

## • BATTERY CHARGER

Input Voltage	100 ~ 240V
Output Voltage	25.2 V
Output Current	3 A
