

Canopy Weight Instruction Sheet

2L-7586-06

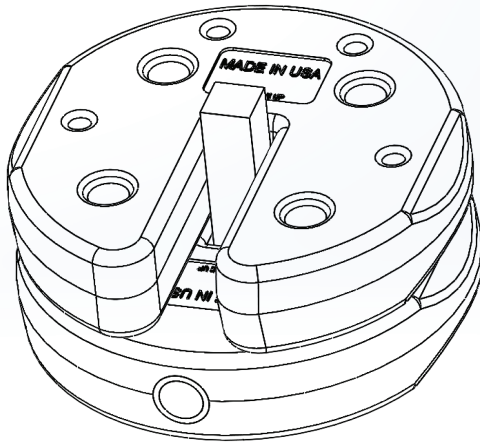

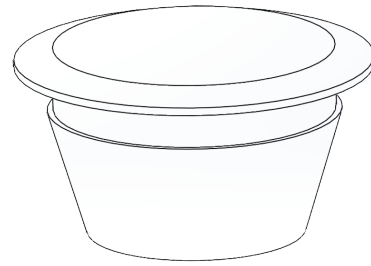

Figure 1

Cap Plug (4)
Figure 2

For model #U0010: Fill empty shells with sand or gravel. Seal off with provided cap plugs. (Figure 2)

Note: When placing more than one weight over your canopy leg, interlock canopy weight as shown in Figure 1. Interlocking the weights traps the canopy leg and helps secure the canopy.
