#### **PUBLIC NOTICE**

# Borough of Hasbrouck Heights NJDCA Resilient Communities Grant Program Notice of Public Comment Period for Resilient Community Project

The Borough of Hasbrouck Heights invites the public to review and provide comments on the proposed allocation of funds under the Resilient Communities Grant Program. This project aims to make improvements to the DPW facilities.

#### Site Location:

The project site is located at 1 Plant Road, Hasbrouck Heights, NJ 07604.

#### Source of Funds:

This project will be submitted under the Resilient Communities Grant Program, administered by the New Jersey Department of Community Affairs (NJDCA). The source of funds for this project is the Community Development Block Grant Disaster Recovery (CDBG-DR) program, administered by the U.S. Department of Housing and Urban Development (HUD).

# Public Hearing:

We will hold a public hearing to provide an opportunity for the community to learn more about the project and ask questions. The public hearing will take place on Tuesday, November 28<sup>th</sup>, 2023, at 7:00 PM located at Borough Hall, 320 Boulevard, Hasbrouck Heights, NJ 07604. We encourage all interested parties to attend and participate.

### Comment Period:

The public comment period for this funding allocation begins on Wednesday, November 29<sup>th</sup> and will conclude on Wednesday, December 13<sup>th</sup>. Please submit comments by 5:00 PM on the 13<sup>th</sup>.

## **Primary Contact:**

For more information or to obtain a copy of the proposed application, please contact:

Name: Robert Brady

Email: <a href="mailto:rbrady@hasbrouck-heightsnj.org">rbrady@hasbrouck-heightsnj.org</a>

> Phone: (201) 288-4143

Written comments may be submitted to the above contact person or emailed to Administrator, Robert Brady. All comments received by the specified deadline will be considered as part of the decision-making process for the allocation of funds.

The Borough of Hasbrouck Heights values the input of its residents and stakeholders in shaping the resilience efforts in our community. Your comments and suggestions are essential in helping us build a more resilient and sustainable future.
