## Artist Note

Vishakha Jindal

**Vishakha's layered collages made with cutouts of painted canvas seamlessly transform into hand-knotted fine silk and wool rugs.**

These compositions Rugs serve as a poignant reflection of the artist's childhood memories, unveiling the subtle yet profound elements of play. 'Sun Kissed' captures the absurdity of chasing sunsets and sunrises, while 'Bounce' embodies the unwavering pursuit of a bouncing ball and the pride in catching it. 'Moonchild' tenderly connects children with the moon, a bright shiny ball floating in the night sky, what must the child wonder? while 'Swing' invites us to revisit the neighborhood park—the pendulous motion of swings, slides, and the mesmerizing kinetics of play.

## About

### PRIYASRI ART GALLERY

Mumbai • Baroda

Founded in 2004, **Priyasri Art Gallery** has been extremely responsive to the evolving language of art and nurturing a gamut of artistic practices and expression. The gallery is dedicated to its role of exhibiting modern, contemporary, and experimental; besides focusing on the showcasing young artists we also represent avante garde artist like Akbar Padamsee and masters like Jogen Chaudhury. It also provides artists', studio facility in the art hub of India-Baroda with its AQ@Priyasri- **The Artist Studio since 2003 and has recently launched a studio dedicated to the art of printmaking.**

Writes Corry Bell, "Ok now (not tomorrow), we have again two versions on this business of Art. One says this: Art is creativity, curiosity, and new things happening in your mind and life. It's an emerging surprise, it's even a shock; it's liberation. The danger it confronts is death by Museum, the imprisonment of the curator's frame. To avoid it, it needs to keep on the move, nomadically in step with new recourses and technologies. The other voice says: Creativity and Curiosity belong everywhere. But there is one strange thing with this species, and that is the way it can wrap its hands and heart and eyes around a piece of inert matter and coax it into life."

**"Gallery Priyasri" seems to address both these voices through a voice of its own".**
