Furniture Collection

The Yasmine range breathes new life into the legacy of Indian carpets, offering a fresh perspective on their utility and aesthetic appeal within the realm of furniture. Yasmine is inspired by the enchanting tales of Aladdin, the collection seamlessly marries the timeless allure of artisanal hand-woven Cocoon Fine Rugs with the essential & meaningful design by AKFD. Each piece is meticulously crafted to harmonize the intricate beauty of the rugs with the functional needs of contemporary living spaces. With the collaboration of design and craftsmanship, the Yasmine Furniture Range transcends conventional boundaries, transforming furniture into captivating works of art. The hand-woven rugs, with their exquisite patterns and textures, lend an air of opulence and cultural depth to every piece.

Embracing Subtle Variations: Please be aware that the handcrafted nature of our rugs means that each design may exhibit minor, delightful variations from the original, contributing to their unique and exceptional character.

Cocoon Fine Rugs is an award-winning premier carpet brand based out of Mumbai, India and is recognized for its sophisticated, modern designs and unique interpretation of classic Persian rugs produced using only the finest raw materials. Cocoon has flagship galleries in Mumbai, Bangalore, Jaipur and Kolkata and the beautiful galleries house exclusive contemporary rugs as well as oriental carpets with a fresh twist. Each piece is hand-made and created with love using the finest natural materials including pure silk and wool. The signature collections are an influence from Ayush and Smriti's personal travels around the world including Barcelona, Paris, Chicago and London. Besides carrying their own in-house collections, the brand also collaborates with leading interior designers and fashion houses like Ashiesh Shah, Studio PKA, Falguni Shane Peacock and JJ Valaya to name a few.

An interdisciplinary award-winning lifestyle design studio and enterprise committed to the development of ideas using traditional crafts. Here, meaningfully handmade is a part of everyday life. AnanTaya-AKFD's products are a unique convergence of India's past and present activated by the efforts of awarded designers collaborating with skilled artisans. Led by the designer & architect duo Ayush & Geetanjali Kasliwal, the team handles a vast variety of projects, from craft-based products, and spaces to large-scale projects like the Mudra installation at T3 International Terminal, Delhi. Through innovative design and use of materials including repurposed elements in Furniture, Lighting, and Interior accessories, the enterprise promotes women's empowerment and supports livelihoods for artisanal communities. They collaborate with Architects and Specifiers to develop Bespoke Furniture, Lighting, and Installations. The hallmark of the practice is meticulous attention to detail and deep involvement in the functionality of the products & spaces. The business, designing, manufacturing, and marketing model demonstrates how handmade converges with small batch production to come up with the finest in Modern Indian Design winning awards like EDIDA Designer of the Year, UNESCO Seal of Excellence, etc. Together they have a vision to positively impact the lives of a million artisans.
