

Freestanding Designer Fireplace

ecosmart⁺
Fire

Pillar Series

ecosmartfire.com

Pillar Series Design features

1. Surround Finishes

Choose from timber with real Oak veneer or Carrara marble base, both with brushed brass trim and bracket accents.

Configurations

Available in two heights: 604mm (23.8 inch), and 484mm (19.1 inch) depending on your space and unique requirements.

No Flue, No Chimney, No Electricity Connection

Our freestanding fireplaces offer an easy and immediate, environmentally friendly solution to adding warmth and ambiance to any location.

2. Lamp-like aesthetic

Pillar-style base reminiscent of a floor lamp, with large suspended glass surround in lampshade-style for flame-illumination and striking visual impact.

Portable Fireplace

Fully portable, you can move the fireplace between rooms and outdoor spaces, or store away when not needed.

Perfectly paired or standalone statement

An edgy, characterful portable fireplace that can feature alongside other furniture or be used as a centerpiece fire to decorate or define a room.

3. Burner Colours

Available with a Stainless Steel or Black Burner.

Environmentally-Friendly

Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

Global Compliance

This model complies with existing standards in the USA, Europe, UK and Australia. O-TL listed to UL 1370, EN 16647 BSI Certified and ACCC Safety Mandate compliant.

Included Accessories
