# DENIM

Articles TF0001, TF0002 ©  
Check Flannel Shirt Albini AL251

Much of the appeal of RAW DENIM is for the fabric to fade over time, this process is caused as the Indigo dye is slowly worn from the surface of the yarn and the natural core of the cotton exposed. This is a natural and charming characteristic of RAW DENIM.

Original Shirt

A denim shirt gets its **UNIQUE PATINA** through wearing and washing, the delavé look. Follow the recommended care instruction and you will achieve required result.

A man with dark hair and a beard is wearing a light blue, long-sleeved western-style button-down shirt. He is looking directly at the camera with a serious expression, resting his chin on his hand. The shirt features a pointed yoke, two chest pockets with buttoned flaps, and a buttoned cuff. He is also wearing a dark, patterned bracelet on his right wrist.

A photograph of a man with dark, wavy hair and a light beard, looking down and to the left. He is wearing a black, long-sleeved, button-down shirt with a pointed collar. The shirt has a subtle twill texture and is fastened with light-colored buttons. His hands are clasped in front of him. The background is a plain, light gray.

MI052

## How to prevent dark colours fading

- Wash inside out, in cold water or max. 40°C on a delicate cycle
- Use only detergents for black cloths, without bleaching ingredients
- Reduce the spin speed
