rough

fiberclay

The rough collection is the rebellious one of the pottery pots family. With its 'less is more' mentality, the rough collection focuses on the tough character of the pot. The collection, with a fiberclay base, consists of modern planter models with the same characteristic finish available in many different colors.

- Made of fiberclay (cement and glassfibers)
- Ideally suited for round shapes
- Indoor and outdoor

TIP

Our pots can be perfectly combined with our artificial plants. The artificial plants are available in different plant types and in various sizes, making them suitable for all types of pots.

See page 189 for more information.
