“Vibrant *SWIMWEAR* and  
*Beach Lifestyle Essentials*  
Capturing the Essence of **IBIZA**”

Azur Ibiza is making waves with a vibrant debut collection of swim and beachwear, inspired by the magical island of Ibiza. Designed to capture the imagination, the collection tells the 'stories of the waves', and redefines beach fashion with a playful, bold and hedonistic spirit.

At its heart, Azur represents timeless, high-quality swimwear realised in striking colourways. While slimming cuts play with traditional swim styles, and quality sculpting fabrics flatter the silhouette for all body types.

Our inaugural collection sees signature shapes adorned with metalwork accents of marine motifs, such as shells and starfish, echoing the elements of the ocean.

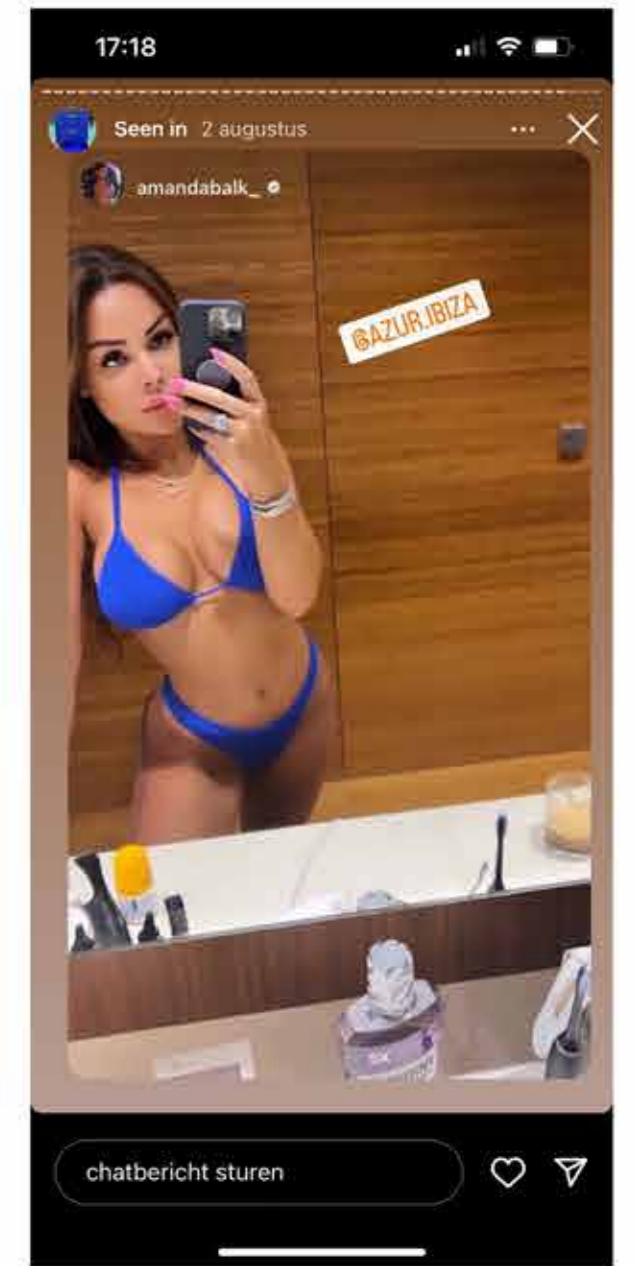

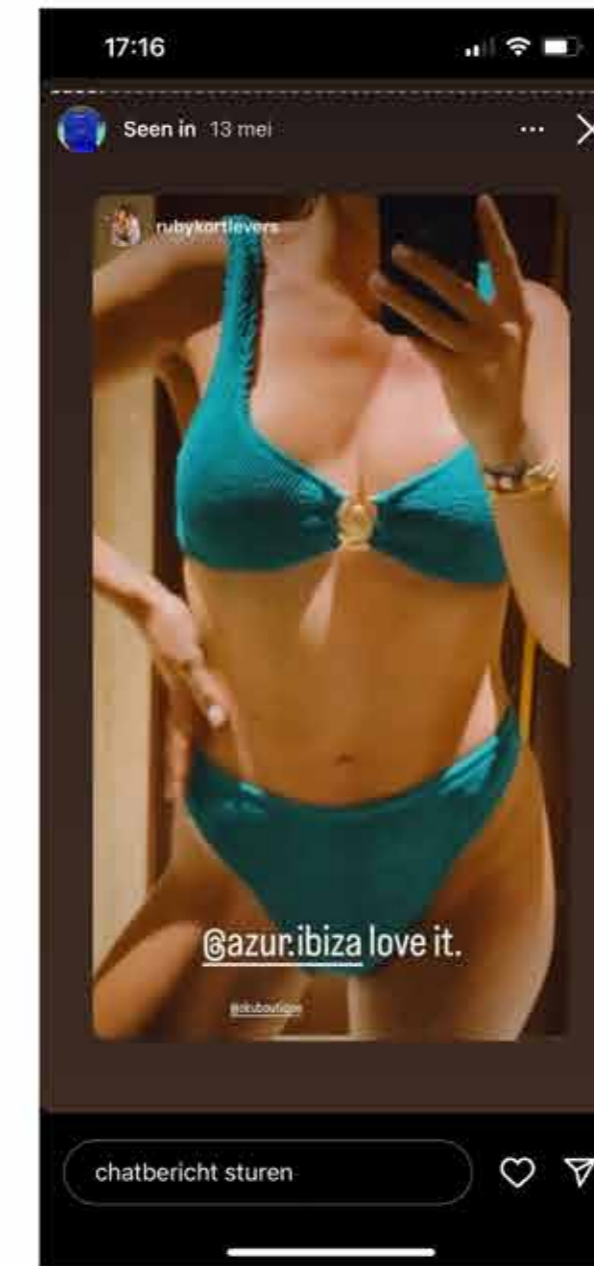

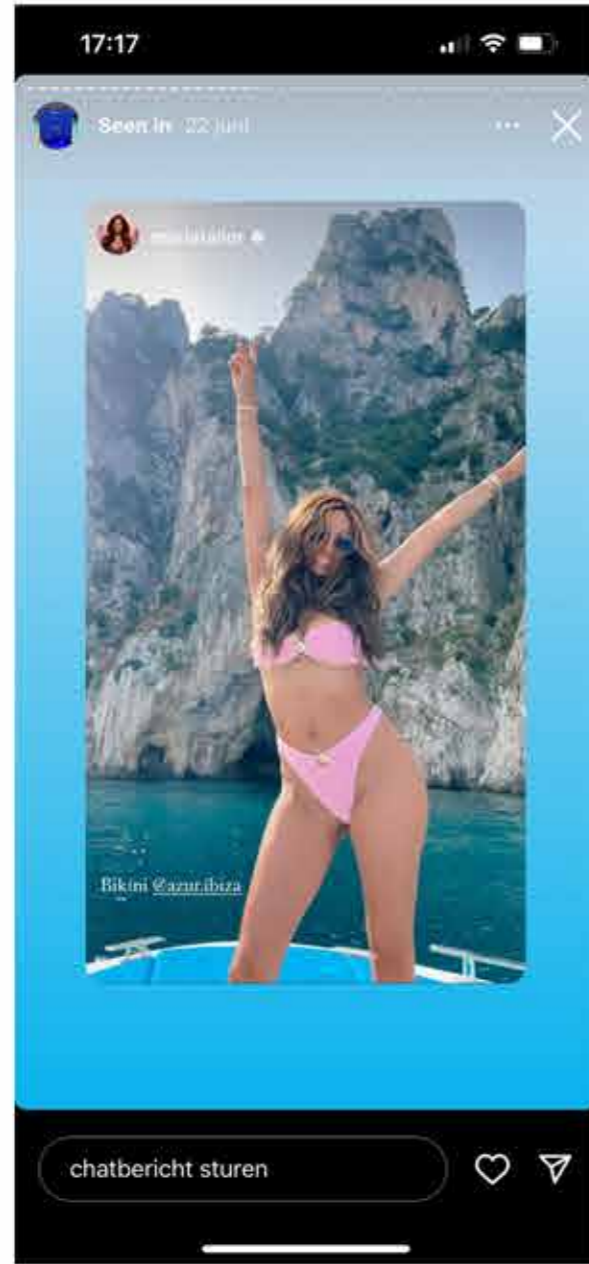

Going beyond the water, Azur also offers a curated selection of beachwear, accessories and lifestyle pieces. Our neon travel backgammon set is the perfect beach bag staple for games under the sun with friends.

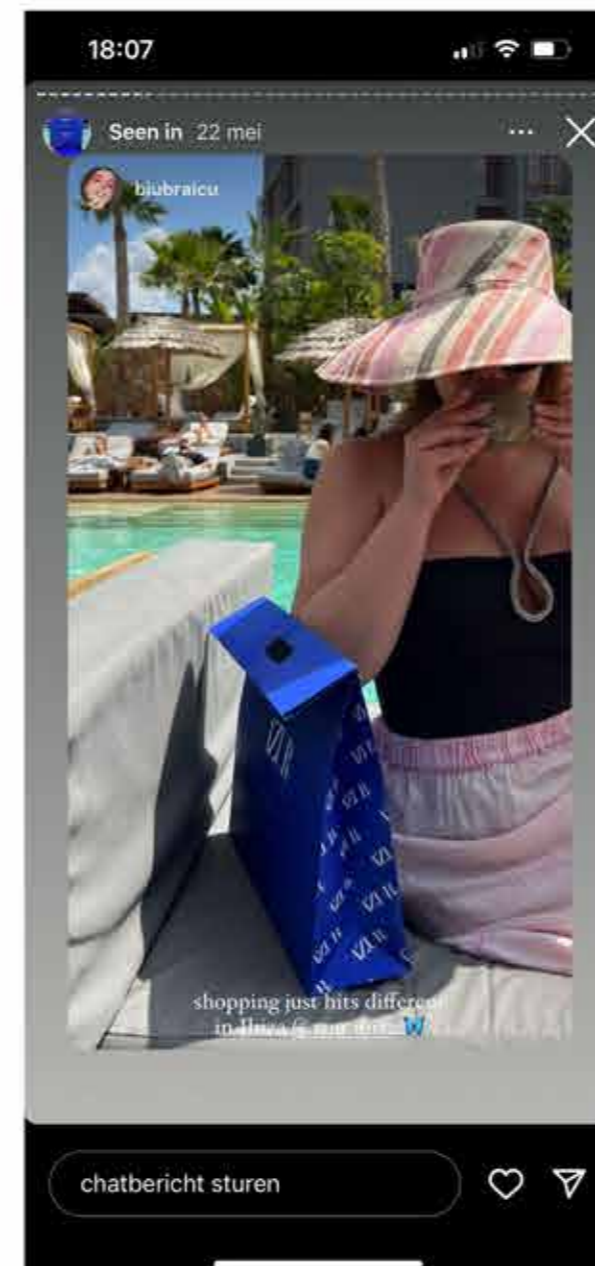

Already making a splash among the fashion jet-set, our fans includes Arabella Chi, Susana Bicho, Maria Pedraza, Anna Moya Calzado, Sonia Mari Andres, and Anna Nooshin. Our founders are mother and daughter duo, Cindy and Noa Kortlevers, who call the island of Ibiza home and are inspired to bring its vibrancy to resort style.

The new collection will be available from January 2024 and available to purchase online and a selection of independent boutiques in Ibiza. We invite chic beach lovers and free spirits to join the journey of self-expression, with each piece a homage to adventurous sun-kissed Ibizan escapades.

An underwater photograph showing sunlight filtering through the water's surface, creating a shimmering, rippling pattern of light and shadow. The water is a deep, clear blue, and the light rays create a textured, almost crystalline appearance. The overall mood is serene and ethereal.
