## Order Process

### STEP 1

Identify which item you are interested in and whatsapp the image or code to +256756231831. Include any details on specifications (size, colour, wood etc) or modifications, and the intended delivery location.

We will share a detailed quotation with you including item price, any applicable discounts, and the delivery charges.

### STEP 2

Make a deposit of 65% using any of our payment methods (mobile money, Visa, or bank deposit). Send the payment confirmation to us via WhatsApp or email.

Once we verify the payment, we will send you a receipt and order confirmation.

### STEP 3

We will inform you when your item is ready for delivery. Any other significant updates or clarifications will be provided throughout the production period.
