La Porra Farm

REGION: Cerros de Yalí
Jinotega, Nicaragua

VARIETY: Maracaturra

PROCESSING: Washed

NOTES: Caramel, Chocolate, blueberry, plums, milk caramel base, white chocolate and hazelnut

Nestled in the Cordillera Cerros de Yalí region, La Porra is a testament to a nine-decade family legacy in coffee cultivation, dating back to 1930 when Byron's grandfather originally owned the farm. Today, Byron and his relatives carry on this tradition, tending to the Maracaturra and Maragotype coffee variety.

La Porra's presence within the Cerros de Yalí reserve helps conserve the region's distinctive flora and fauna. The farm's outstanding coffee quality achieved international acclaim, earning it a spot as an International Finalist in the 2021 Nicaragua Cup of Excellence.
