全球 Aǐ 教育

教了这课一百多次,但这班绝对是我教过最开心、最有创意的一届!真的谢谢你们带给我这么多快乐!

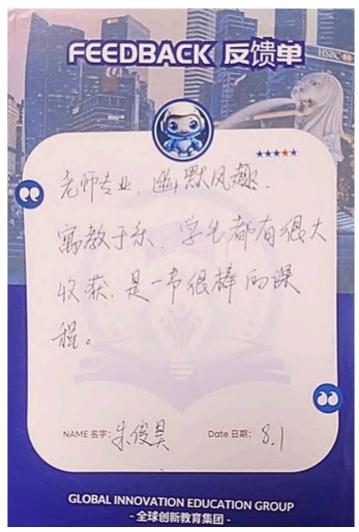

从教机器人怎么看世界,到明白数据收集和标注对 A [模型有多重要,你们的第一个AI漫画书也太有创意了,我超喜欢!回中国后,要继续好好学AI哦!希望你们能用 A [来影响更多人,改变生活!

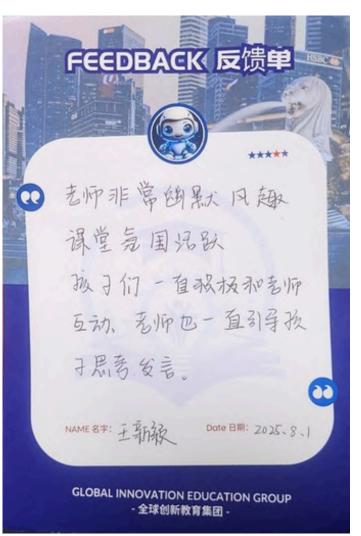

I have conducted this course more than 100 times but this class is the most fun, most creative I have taught. Thank you for bringing me so much joy! From teaching how Robots see the world, to understanding that Data collection and Labelling is important for Ai models to be built. You are so creative in designing your first AI comic book! I love it! Learn more about AI back in China and use it to impact people and change lives!
