

TRACY GLOVER

OBJECTS AND LIGHTING

Jewel Box WALL DIVIDER

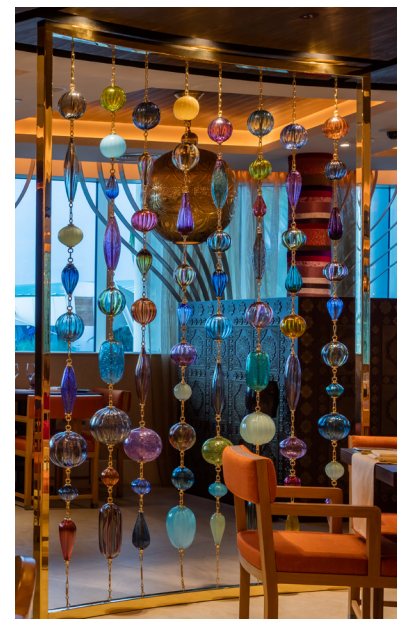

Glass beads on cables, illuminated by recessed lights in the floor and ceiling

Jewel Box Wall Dividers are unique and beautiful conversation pieces available in limitless combinations to allow for one-of-a-kind installations.

These sparkly wonders are suitable for use in residential, hospitality and commercial spaces as a room divider, feature wall or art installation.

Glass beads on downrods, mixed with TG Studio pendant lighting

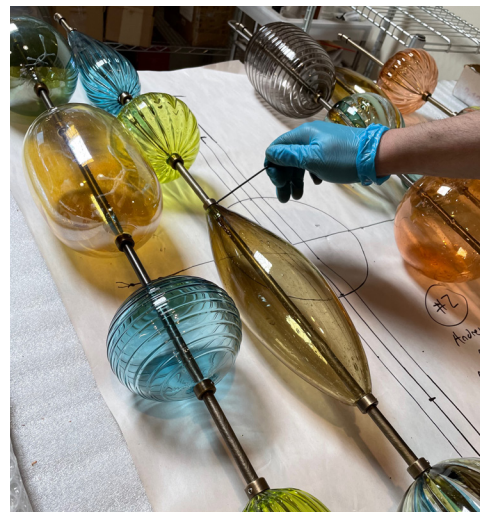

Glass beads on chains

Uses:
Suitable for residential, hospitality, and commercial spaces as a room divider, feature wall, or art installation

To order
We can design it based on your preferences or you can design it using our shapes and colors as a guide

Let us know:

- Overall height and width of the installation
- Allow for at least 6" on either end of the strands for mounting
- Do you want it mounted on both ends or ceiling only?
- Color palette
- Shape preferences
- Tightly clustered or an airier look?

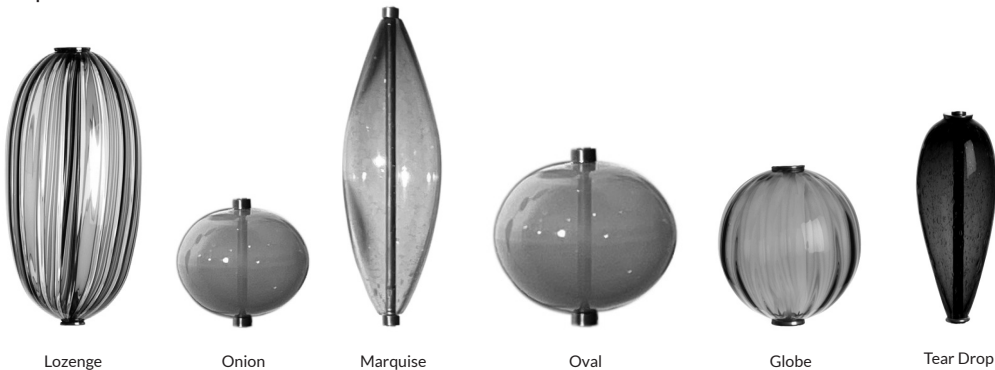

Cables
Allow for at least 2" between beads
Available in Stainless cable only but bead stops available in all finishes

Chains
Allow for at least 3" between beads
Available in all finishes

Downrods
Allow for at least 1" between beads
Available in Brushed Nickel, Brushed Brass, Antique Brass, Black Oxide only
Available in 48" long lengths or shorter, lengths can be combined to make longer lengths
