The Player Lab

The Player Lab offers a comprehensive range of services and support for our players, ensuring they have the best possible chance to succeed in their soccer careers.

ELEVATE YOUR CAREER

Personalized Representation: Tailored support from experienced agents who understand the unique needs of each player

Network Connections: Access to our extensive network of contacts within the soccer industry, including coaches, scouts, and club officials

Professional Guidance: Expert advice on contract negotiations, career planning, personal strength & conditioning plans, and marketing.

Showcase Events: Opportunities for players to demonstrate their skills in front of influential decision-makers within the soccer community

Educational Support: Assistance with securing scholarships and navigating the college recruitment process for players pursuing a soccer education

International Exposure: Connecting players with opportunities at European clubs and international tournaments.

Elevate Your Career

It is our mission to use our own experiences in college and professional sports to help you make the right decisions for your future career. Learn more about our offerings and start taking ownership of your journey in college soccer.

COLLEGE PATHWAY

Through our comprehensive training programs, experienced coaching staff, and strong network within the soccer community, we create a platform for our athletes to excel and earn soccer scholarships at top colleges and universities.

About Us

- The Player Lab Management Group (PLMG) is a professional sports management group based out of Miami, Florida that exclusively represents players seeking professional contracts or college opportunities in the US and abroad.
- PLMG focuses on soccer talent. We represent soccer players and handle all aspects of contract negotiations with professional soccer clubs and organizations.
- PLMG also represents professional players seeking transfers to other professional clubs and handles all aspects of the transfer deal.
