History

1962

CERAMICA FAETANO
FAETANO (SAN MARINO)

Faetano has produced hand made ceramics for decades, and today its designs carry this heritage embedded in their looks and colors.

1979

CERAMICA DEL CONCA
SAN CLEMENTE (ITALY)

Ceramica Del Conca sets the foundation of the Del Conca Group. The company boasts a conspicuous sensibility for technological innovation, design, quality, research and the environment: testaments to a savvy ceramic culture.

2000/2017

CERAMICA DEL CONCA
SAN CLEMENTE (ITALY)
SAVIGNANO (ITALY)

Ceramica del Conca undergoes a period of remarkable industrial expansion, with new production plants and upgrades for the production of high-value and extra thick tiles and porcelain slabs.

2014

DEL CONCA USA
LOUDON, TN

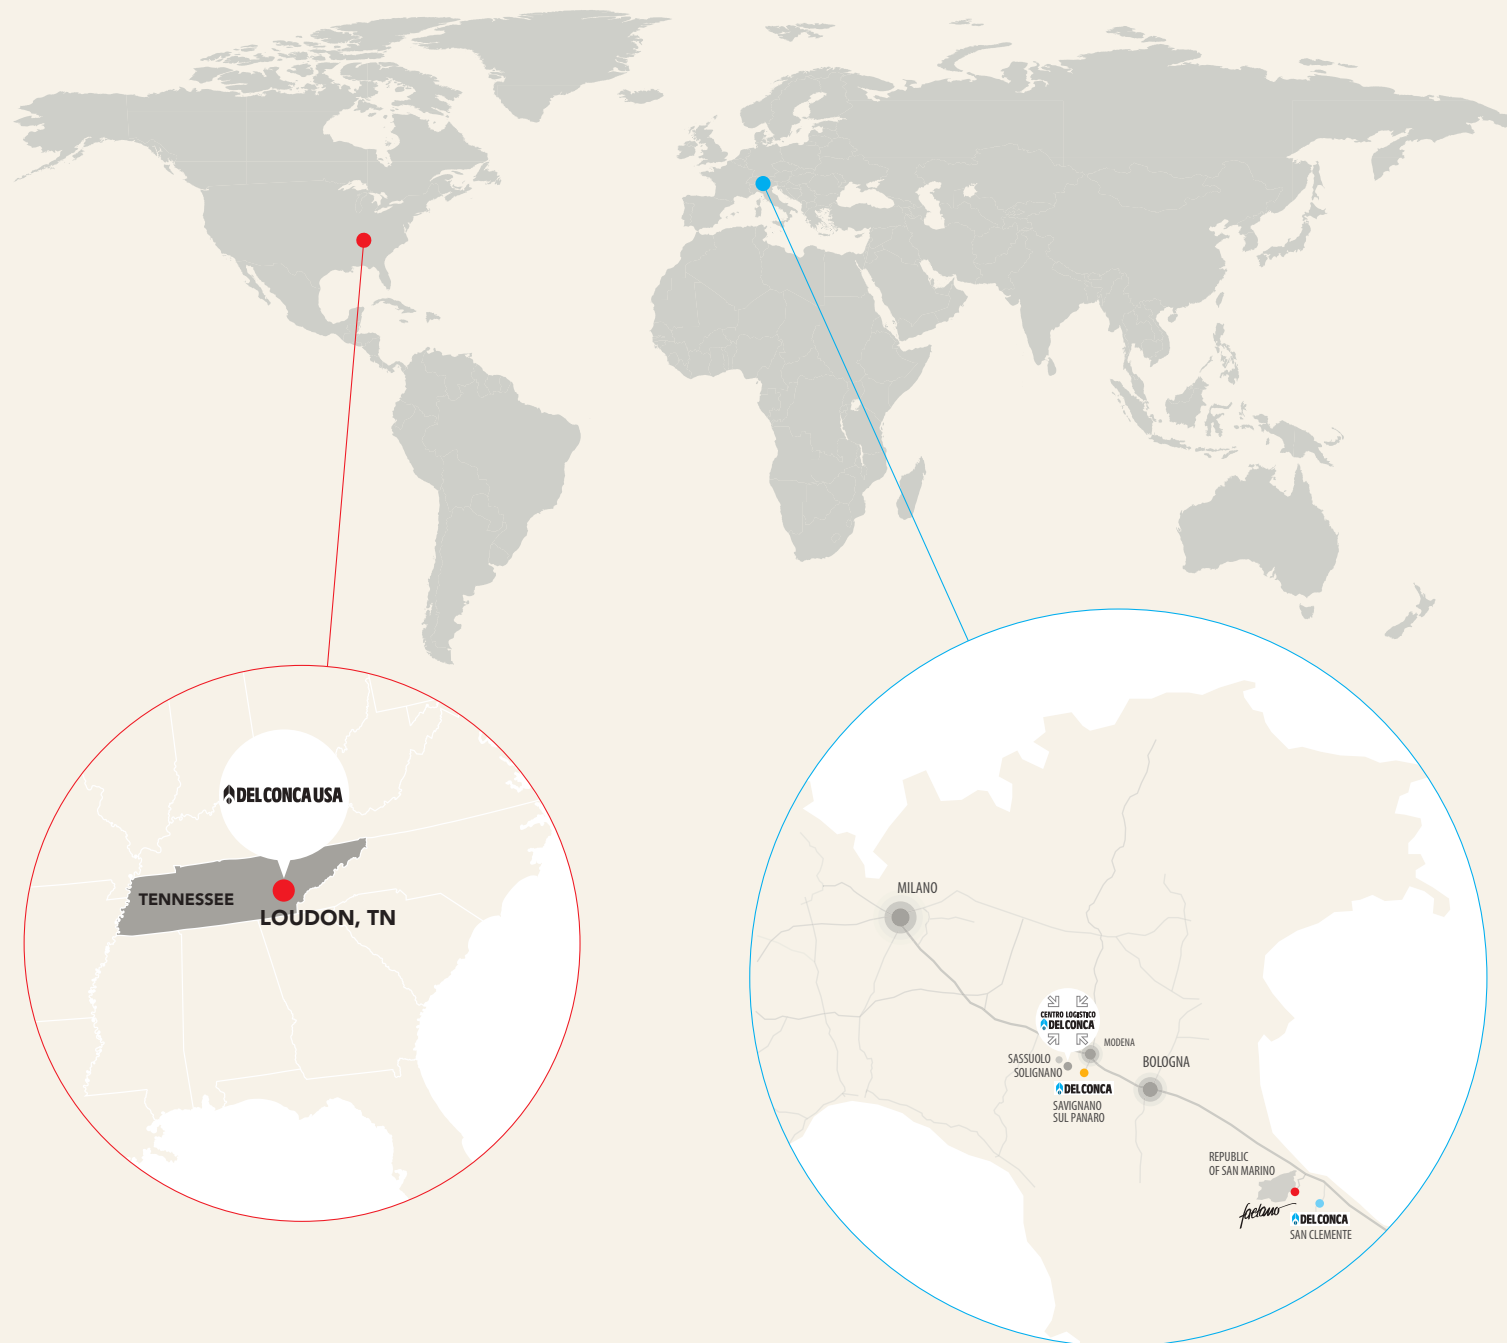

Del Conca USA is established in Loudon, TN to combine local production and Italian design, providing creativity, research and technological innovation to better serve North American customers.

Where we are

Del Conca USA is the USA subsidiary of the Del Conca Group. With four factories located in Italy, San Marino and the USA, the Group has a product portfolio containing floor and wall, indoor and outdoor, pavers and porcelain slabs.

Del Conca USA's products are designed in Italy with an eye for North American taste and made in the USA for maximum convenience. The best collections by Del Conca and Faetano are stocked in Loudon, TN, offering additional products from the Del Conca Group.

About Del Conca USA

The planning and design of each collection is conceived and carried out in Italy, in the Group's own research facility. An across-the-board creative process, the fruit of intensive teamwork involving designers, laboratory and quality technicians in order to ensure uniquely distinctive products; all made in the USA at the high-tech facility in Loudon, TN, the latest proud achievement of the Del Conca Group. The resulting products, incorporating dynamic taste and the latest trends, are generously endowed with cultural values, beauty and authenticity in order to enhance any architectural, residential or commercial space, both indoor and outdoor.

Technology

Attention to detail, sensitivity to the environment and innovation are necessary to remain faithful to the vocation of producing ceramic tiles. The awareness of a historical and artistic heritage are drawn on for inspiration. An open and active vision of the evolution of the contemporary world, associated with creativity and originality, are the driving forces behind the development of superior quality surfaces that represent high quality Italian design culture.

An innovative production system is used to create porcelain stoneware with high-definition graphics, which is resistant to wear and chemical agents, easy to clean, and is suitable for spaces exposed to strong external stress.

The Del Conca USA factory is a hub of innovation, with state-of-the-art facilities to create the highest quality porcelain tile.

A production system that includes the collaborative effort of all departments is used to create porcelain stoneware with high definition graphics and material benefits.

Our Team

Enthusiasm, energy and commitment are the underlying characteristics shared by the team of dynamic people that are the beating heart of Ceramica del Conca. The creation of a close-knit working group, which believes in the company's values and desire for continuous renewal, is an important resource; this great resource must be nurtured with great care and attention.

The ethical qualities, sense of responsibility and professional skills of each member of the team must be enhanced through refresher and training courses. In this way, through the experience and know-how acquired together with trusted partners and experienced collaborators, the cultural, technological and aesthetic content of the products and services is transformed into something unique, capable of generating and implementing ideas that are always different and innovative.

Social Responsibility

The Del Conca Group has always been active in the social sphere also thanks to the Cino Mularoni Foundation, which aims to organize cultural and scientific events, encouraging studies and research and contributing to the training of young scholars and to supporting various publishing activities.

The Del Conca Group employs human and economic resources to promote a wide number of philanthropic activities, obtaining concrete results in the humanitarian field with solidarity projects all over the world.

Since the first project carried out in Indonesia in 2008, the focus has been on the importance of health and education as a basis for social and economic development of all the poorest countries in the world; since then the company has fully committed to this mission and has moved in that direction through the construction of schools, family houses, water networks, health centers and hospital wards.

Support was also provided to the populations strongly affected by the earthquakes in Italy in 2012 and 2016.

Sustainability

Respect for the environment and natural resources, combined with attention to energy consumption, has always been a key goal which the company pursues. The aim is to offer customers a product that not only has high quality technical and aesthetic features but that is also manufactured according to sustainability criteria. The environmental policy is implemented by raising the awareness of employees and suppliers on ecology and energy saving issues.

The company's environmental philosophy is attentive to the environment and to people's well-being. It is based on the complete internal re-use of the industrial water produced during the company and third-party's processing cycles, the reduction of CO2 emissions into the atmosphere in line with the requirements of the Kyoto Protocol, the recovery of all non-fired production waste during production and proper waste management.

Technical characteristics

TECHNICAL CHARACTERISTICS AND STANDARDS OF REFERENCE

Our first choice porcelain tiles are compliant with ISO 13006 & ANSI A137.1 standard.

Therefore they must not be perfect (which is impossible for any industrial product) but fall within the tolerances defined by the standard.

The valuation of the appearance of the tiles shall be performed, as defined by the standard, placing tiles on a viewing board and examining it (perpendicularly) from a distance of at least 1 meter (3.3 feet).

Defects of tiles can be of two types: noticeable (already visible before setting, such as color differences, surface defects, fractures, etc) or hidden (not visible before setting). Claims about noticeable defects may be made only before tiles are installed, allowing the manufacturer to replace any defective material. However, if the buyer or tile installer decides to proceed with installation, the responsibility of the manufacturer is invalidated. No claims will be accepted regarding installed product.

Responsibility for hidden defects remains with the producer if these are notified within the legal time limits.

Catalogs indicate nominal size, not actual size.

RECOMMENDATIONS FOR USE

No laboratory test, however efficient it may be, is sufficient to determine the durability of a product. Apart from the obvious factor of the number of foot contacts, durability can also be influenced by the technical characteristics of the product, location of the installation and the possible presence of abrasive agents. We therefore recommend not only that products should be chosen with resistance characteristics that are sufficient for the intended use, as shown in the following chart, but also that floors should be protected against sand, grit and other abrasives with the use, for example, of mats.

See www.delconcausa.com/download/edpceramictile.pdf to download the EPD report covering Del Conca USA products.

ANSI A 137.1

Colored Body Porcelain Stoneware Glazed Porcelain Stoneware

	Established limits	Performances	Norms

 Resistance to thermal shock	Resistant	Resistant	ASTM C 484
 Slip resistance (DCOF)	≥ 0,42	Only for Natural Surface Conforms	ANSI A 326.3:2019 release 2019. (DCOF)
 Chemical resistance	As reported	Class: A	ASTM C 650
 Stain resistance	As reported	Class: A	ASTM C 1378

Reference values valid for almost all our collections. Browse through our website for further specifications.

(1) It states the resistance of a sample piece, leaning on three spots, to a concentrated load placed in the middle.

Key to symbols

SHADE VARIATIONS

 **LOW**
Uniform colour with only minimal differences between tiles in the same production run.

 **MODERATE**
Clearly distinguishable differences in texture and pattern within the same production run.

 **HIGH**
Significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material.

 **RANDOM**
Random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material.

RECOMMENDED USE

 Recommended for floors for medium-light use, as in private homes, with the exception of kitchens and rooms with direct outdoor access.

 Recommended for all rooms in the house and for business premises with medium use.

 Recommended for all rooms indoors and outdoors and for business premises in general.

Terms and conditions of sale

1. These Terms and Conditions of Sale shall apply to all orders and contracts entered into by Del Conca USA, Inc. (the "Seller" or "Del Conca") and the Purchaser for the sale of products manufactured or distributed by Del Conca USA (the "Products") unless Seller otherwise specifically agrees in writing. By placing any order for Products, the Purchaser agrees to these Terms and Conditions of Sale. Any other terms or conditions which may at any time be indicated by the Purchaser, in the Purchaser's order form or otherwise (whether oral, typed, written or printed) shall be null and void and of no effect, even if not expressly objected to by the Seller.

2. All prices are stated in U.S. Dollars per square foot or per piece unless otherwise noted.

3. Prices are for first choice material only.

4. Full Truckload (FTL) prices are applied only to orders for shipment of at least 43,000 pounds (including pallet weight) from the Loudon, TN factory and comprised exclusively of materials stored at that specific facility.

5. All pricing is calculated FOB Factory (Loudon, TN), excluding transportation and shipping charges, taxes, fees and custom duties.

6. The Purchaser shall make all payments pursuant to the invoices issued by the Seller, notwithstanding any claim for any alleged defect, fault or irregularity in the Products. Unless otherwise specifically agreed by the Seller in writing, payment by the Purchaser is due upon receipt of Seller's invoice. Invoice for FTL shall be payable within 30 days from the issuance of the invoice. In the event of any delay in payment, the Seller shall have the right to suspend deliveries and may, at its option (i) require immediate payment of all or any part of any and all sums owed by the Purchaser, irrespective of any credit terms previously agreed to, and (ii) terminate the Contract (as well as any and all other contracts with the Purchaser) in whole or in part, and hold the Purchaser liable for damages. In addition, in the event the Seller does not receive full payment by the due date, the Purchaser shall pay to the Seller interest on the unpaid amount, from the due date to the date payment is actually received by the Seller, at the monthly rate of interest of one and one half percent (1 ½%), but not to exceed the highest amount allowed by law. Seller's right to such interest shall be in addition to, and not in lieu of, all other rights and remedies arising by reason of such nonpayment. Any payment received by the Seller may be applied to any outstanding balance owed by the Purchaser to the Seller, as the Seller, in its sole discretion, may determine, any instructions of the Purchaser to the contrary notwithstanding.

7. Del Conca USA reserves the right to apply a surcharge on orders comprising non-full pallets.

8. All orders are subject to availability. No order of the Purchaser will be binding upon Del Conca USA unless accepted by Del Conca USA on Del Conca USA's form of Order Confirmation, signed by an officer or employee of Del Conca USA duly authorized to sign on behalf of Del Conca USA, and then only as and to the extent set forth in such Order Confirmation. Del Conca USA reserves the right to reject any order in whole or in part. Any term, condition or provision set forth in Seller's Order Confirmation which is not objected to by the Purchaser in writing within ten days after the date thereof will conclusively be deemed to have been accepted by the Purchaser. Every order of the Purchaser will be binding on the Purchaser unless and until it is rejected in writing by the Seller, and may not be cancelled, withdrawn or modified by the Purchaser; however, in the event of a partial acceptance by the Seller, the Purchaser will no longer be bound with respect to the parts of the order not accepted by the Seller.

9. Purchaser will take delivery of the Products at the Seller's premises ("ex factory"). Unless otherwise specifically agreed by Seller in writing: (i) all risk of loss or damage to the Products shall pass to the Purchaser upon delivery of the Products by the Seller to a carrier; (ii) the Seller shall not be required to procure insurance to cover the Products during transportation in shipment; (iii) any shipping arrangements made by the Seller with carriers or forwarding agents at the Purchaser's request shall be made solely on the Purchaser's behalf and at the Purchaser's sole cost and risk; (iv) any agent appointed for such shipment shall be solely the Purchaser's agent for all purposes; (v) the Purchaser shall be responsible for all the unloading and receipt of the Products at its destination; and (vi) any claim for loss or damage shall be made by the Purchaser solely against the carrier.

10. Any delivery dates specified by the Seller will be deemed to be estimates only, unless specific commitments are made in writing by the Seller. In no event is the time of delivery of the Products of the essence. The Seller reserves the right to cancel, in whole or in part, or to suspend or delay, in whole or in part, any orders due to (i) shortages of, or failures of Seller's suppliers to deliver, or delays of Seller's suppliers in delivering materials, (ii) work stoppages or other labor troubles, (iii) acts of God or (iv) any event in the nature of force majeure or beyond Seller's control. Delivery dates will be extended by the amount of any additional time required by the Seller to make delivery as a result of any such condition or event. The Seller also reserves the right to discontinue particular Products or lines of Products, or to substitute other Products or lines, in response to production and market requirements and demands. The Purchaser waives any and all claims and rights which the Purchaser might otherwise have arising out of or in connection with or relating to any delay in delivery of the Products for any reason whatsoever or any failure of the Seller to deliver by reason of the exercise by the Seller of any of its rights pursuant to these Terms and Conditions of Sale, including, without limitation, any and all claims for or rights to direct, indirect, incidental, consequential or other damages or compensation, and any and all rights to terminate or cancel the order, in whole or in part.

11. Product representations made in photographs, catalogs, advertisement, sampling and online formats as well as in any other publications are indicative of the product only. Variations in color finish and size can occur and the Seller does not warrant the uniformity of color, tone or shade of the Products or the conformity of the Products to the color, tone or shade of any sample. It is Purchaser's responsibility to verify the suitability of the material before installation.

12. Any Product return shall be previously authorized by Del Conca USA and returned products must be accompanied by an approved Return Authorization form and is subject to a 25% handling charge. Freight for the return is the responsibility of the Purchaser.

13. Limited Warranty / Product Claims: Del Conca USA warrants that its first choice, domestically produced ceramic tile is manufactured according to ANSI A137.1 and meets or exceeds these requirements. If a first choice tile purchased by the Purchaser pursuant to these Terms and Conditions of Sale is proven to contain a manufacturing defect, Del Conca USA will supply, free of charge, material of compatible color and shade, as determined by Del Conca USA. **Labor charges are expressly excluded from this warranty.** The Purchaser waives any and all other claims and rights which the Purchaser might otherwise have arising out of or in connection with or relating to any breach of warranty or arising out of or in connection with or relating to any defect, fault or irregularity in the Products, including, without limitation, any and all claims for or rights to direct, indirect, incidental, consequential or other compensation or damages, and any and all rights to terminate or cancel the order, in whole or in part.

14. Del Conca USA makes no warranty as to the suitability of its tile for a particular installation. Del Conca USA does not warrant that its glazed or unglazed tile will not scratch, chip, or show signs of wear.

15. Del Conca USA must be notified by the Purchaser of any claims or defects as soon as reasonably possible, but in any case not later than six months after the Products have been delivered by Del Conca USA. Any claim of the Purchaser of any and every kind must be in writing and sent by certified mail, return receipt requested. Failure to make any claim in such manner or within such six month period shall constitute an irrevocable acceptance of the Products.

16. Claims concerning shade, appearance, caliber, finish or obvious defects in first choice production must be communicated before the tile is installed. No claims will be accepted for tile already installed or for defects in other than first choice material.

17. Del Conca USA specifically excludes liability for consequential or incidental damages except where exclusion of consequential damage is not permitted by state law.

18. This limited warranty shall constitute the full extent of Del Conca USA's liability and is in place of all other warranties or representations, express or implied, including, without limitation, any warranty of merchantability or fitness for a particular purpose.

19. Until the Seller collects in full all amounts required to be paid by the Purchaser for the Products, as well as any and all other amounts owed by the Purchaser to the Seller, the Seller retains title to the Products, and shall have a first and senior purchase money security interest in, an lien on, the Products and all proceeds thereof, under the Uniform Commercial Code as in effect in the United States, to secure the payment of all such amounts. By placing an order with the Seller, the Purchaser authorizes the Seller to file any and all financing statements with respect to such security interest which Seller may deem necessary or desirable. The Purchaser shall, at the request of the Seller, execute any and all financing statements and other documents which the Seller may request to perfect or evidence such title and such security interest.

20. In the event the Seller retains a collection agency to collect any amount owed by the Purchaser, or institutes proceedings to collect such amount or to enforce any right against the Purchaser, including enforcement of any security interest granted to the Seller, the Purchaser shall reimburse the Seller for all collection agency fees and costs, or all costs incurred in such legal proceedings, including reasonable attorneys' fees.

21. The Parties agree that the laws of the State of Tennessee (without giving effect to principles of conflicts of law), to the exclusion of the laws of any other state, shall be applicable to all orders or contracts entered into pursuant to this Terms and Conditions of Sale, their construction, interpretation, effect, performance or non-performance or the consequences thereof. For all disputes or controversies which may arise between the Parties out of or in connection with all orders or contracts entered into pursuant to this Terms and Conditions of Sale, their construction, interpretation, effect, performance or non-performance or the consequences thereof, the Parties hereby consent to the jurisdiction of the courts in the State of Tennessee, and agrees that such courts, to the exclusion of all other courts, shall have exclusive jurisdiction with respect to any and all such disputes and controversies.

Tile Council of North America (TCNA)

TCNA is the trade association representing manufacturers of ceramic tile, tile installation materials, tile equipment, raw materials, and other tile-related products of North America.
