# Indoor | Outdoor

The indoor and outdoor represent two worlds which are growing ever closer. Esthetic continuity, of color and texture, between the indoors and outdoors extends boundaries and spaces.

People are increasingly tending to bring the outdoors into their single open-plan living area. Contact with nature is seen as an improvement in personal wellbeing, and the 20 mm range facilitates the creation of a designer outdoor world. Only the indoor and outdoor surface is different to ensure the necessary safety outside as well as in.

# Cleaning and Maintenance

Thanks to its great hardness and weather-resistance, due2 can be cleaned with almost any detergent. However, we recommend simply using a mild detergent and a water jet. For greater convenience and to avoid formation of limescale deposits, we recommend facilitating drainage with a rubber brush.

## TECHNICAL CHARACTERISTICS AND STANDARDS OF REFERENCE

Our first choice porcelain tiles are compliant with ISO 13006 & ANSI A137.1 standard.

Therefore they must not be perfect (which is impossible for any industrial product) but fall within the tolerances defined by the standard.

The valuation of the appearance of the tiles shall be performed, as defined by the standard, placing tiles on a viewing board and examining it (perpendicularly) from a distance of at least 1 meter (3.3 feet).

Defects of tiles can be of two types: noticeable (already visible before setting, such as color differences, surface defects, fractures, etc) or hidden (not visible before setting). Claims about noticeable defects may be made only before tiles are installed, allowing the manufacturer to replace any defective material. However, if the buyer or tile installer decides to proceed with installation, the responsibility of the manufacturer is invalidated. No claims will be accepted regarding installed product.

Responsibility for hidden defects remains with the producer if these are notified within the legal time limits.

Catalogs indicate nominal size, not actual size.

## RECOMMENDATIONS FOR USE

No laboratory test, however efficient it may be, is sufficient to determine the durability of a product. Apart from the obvious factor of the number of foot contacts, durability can also be influenced by the technical characteristics of the product, location of the installation and the possible presence of abrasive agents. We therefore recommend not only that products should be chosen with resistance characteristics that are sufficient for the intended use, as shown in the following chart, but also that floors should be protected against sand, grit and other abrasives with the use, for example, of mats.

See [www.delconcausa.com/download/edpceramictile.pdf](http://www.delconcausa.com/download/edpceramictile.pdf) to download the EPD report covering Del Conca USA products.

## SHADE VARIATIONS

 **LOW**  
Uniform colour with only minimal differences between tiles in the same production run.

 **MODERATE**  
Clearly distinguishable differences in texture and pattern within the same production run.

 **HIGH**  
Significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material.

 **RANDOM**  
Random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material.

## RECOMMENDED USE

 Recommended for floors for medium-light use, as in private homes, with the exception of kitchens and rooms with direct outdoor access.

 Recommended for all rooms in the house and for business premises with medium use.

(1) It states the resistance of a sample piece, leaning on three spots, to a concentrated load placed in the middle.

(2) It shows the resistance, on raised floor laying as suggested by the catalogue, to a concentrated load applied in the middle.

(3) It shows the breaking resistance through bending of the product in full size. The load is applied through a horizontal cylinder placed in the middle.

# Terms and conditions of sale

1. These Terms and Conditions of Sale shall apply to all orders and contracts entered into by Del Conca USA, Inc. (the "Seller" or "Del Conca") and the Purchaser for the sale of products manufactured or distributed by Del Conca USA (the "Products") unless Seller otherwise specifically agrees in writing. By placing any order for Products, the Purchaser agrees to these Terms and Conditions of Sale. Any other terms or conditions which may at any time be indicated by the Purchaser, in the Purchaser's order form or otherwise (whether oral, typed, written or printed) shall be null and void and of no effect, even if not expressly objected to by the Seller.

2. All prices are stated in U.S. Dollars per square foot or per piece unless otherwise noted.

3. Prices are for first choice material only.

4. Full Truckload (FTL) prices are applied only to orders for shipment of at least 43,000 pounds (including pallet weight) from the Loudon, TN factory and comprised exclusively of materials stored at that specific facility.

5. All pricing is calculated FOB Factory (Loudon, TN), excluding transportation and shipping charges, taxes, fees and custom duties.

6. The Purchaser shall make all payments pursuant to the invoices issued by the Seller, notwithstanding any claim for any alleged defect, fault or irregularity in the Products. Unless otherwise specifically agreed by the Seller in writing, payment by the Purchaser is due upon receipt of Seller's invoice. Invoice for FTL shall be payable within 30 days from the issuance of the invoice. In the event of any delay in payment, the Seller shall have the right to suspend deliveries and may, at its option (i) require immediate payment of all or any part of any and all sums owed by the Purchaser, irrespective of any credit terms previously agreed to, and (ii) terminate the Contract (as well as any and all other contracts with the Purchaser) in whole or in part, and hold the Purchaser liable for damages. In addition, in the event the Seller does not receive full payment by the due date, the Purchaser shall pay to the Seller interest on the unpaid amount, from the due date to the date payment is actually received by the Seller, at the monthly rate of interest of one and one half percent (1 ½%), but not to exceed the highest amount allowed by law. Seller's right to such interest shall be in addition to, and not in lieu of, all other rights and remedies arising by reason of such nonpayment. Any payment received by the Seller may be applied to any outstanding balance owed by the Purchaser to the Seller, as the Seller, in its sole discretion, may determine, any instructions of the Purchaser to the contrary notwithstanding.

7. Del Conca USA reserves the right to apply a surcharge on orders comprising non-full pallets.

8. All orders are subject to availability. No order of the Purchaser will be binding upon Del Conca USA unless accepted by Del Conca USA on Del Conca USA's form of Order Confirmation, signed by an officer or employee of Del Conca USA duly authorized to sign on behalf of Del Conca USA, and then only as and to the extent set forth in such Order Confirmation. Del Conca USA reserves the right to reject any order in whole or in part. Any term, condition or provision set forth in Seller's Order Confirmation which is not objected to by the Purchaser in writing within ten days after the date thereof will conclusively be deemed to have been accepted by the Purchaser. Every order of the Purchaser will be binding on the Purchaser unless and until it is rejected in writing by the Seller, and may not be cancelled, withdrawn or modified by the Purchaser; however, in the event of a partial acceptance by the Seller, the Purchaser will no longer be bound with respect to the parts of the order not accepted by the Seller.

9. Purchaser will take delivery of the Products at the Seller's premises ("ex factory"). Unless otherwise specifically agreed by Seller in writing: (i) all risk of loss or damage to the Products shall pass to the Purchaser upon delivery of the Products by the Seller to a carrier; (ii) the Seller shall not be required to procure insurance to cover the Products during transportation in shipment; (iii) any shipping arrangements made by the Seller with carriers or forwarding agents at the Purchaser's request shall be made solely on the Purchaser's behalf and at the Purchaser's sole cost and risk; (iv) any agent appointed for such shipment shall be solely the Purchaser's agent for all purposes; (v) the Purchaser shall be responsible for all the unloading and receipt of the Products at its destination; and (vi) any claim for loss or damage shall be made by the Purchaser solely against the carrier.

10. Any delivery dates specified by the Seller will be deemed to be estimates only, unless specific commitments are made in writing by the Seller. In no event is the time of delivery of the Products of the essence. The Seller reserves the right to cancel, in whole or in part, or to suspend or delay, in whole or in part, any orders due to (i) shortages of, or failures of Seller's suppliers to deliver, or delays of Seller's suppliers in delivering materials, (ii) work stoppages or other labor troubles, (iii) acts of God or (iv) any event in the nature of force majeure or beyond Seller's control. Delivery dates will be extended by the amount of any additional time required by the Seller to make delivery as a result of any such condition or event. The Seller also reserves the right to discontinue particular Products or lines of Products, or to substitute other Products or lines, in response to production and market requirements and demands. The Purchaser waives any and all claims and rights which the Purchaser might otherwise have arising out of or in connection with or relating to any delay in delivery of the Products for any reason whatsoever or any failure of the Seller to deliver by reason of the exercise by the Seller of any of its rights pursuant to these Terms and Conditions of Sale, including, without limitation, any and all claims for or rights to direct, indirect, incidental, consequential or other damages or compensation, and any and all rights to terminate or cancel the order, in whole or in part.
