Start

Download for iOS and android

Find Magic Kegel for iOS at the App Store or at the Google Play for android.

Launch Magic Kegel

Click the application to launch and follow the guidelines in the manual to connect Gballs³.

Connect Gballs³

To switch on Gballs², press the power button. LED lights turn on when Gballs³ work.

The application will show that the device is connected when Gballs³ successfully connects to the smartphone.

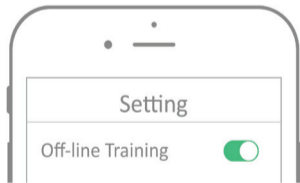

Device Connected

Enjoy the workout

Find a comfortable position to insert the Gballs³. Many women find that it is most comfortable to insert when lying down on your back or standing up.

To make the process easier, apply a small amount of water-based lubricant to the tip of Gballs³ or onto a condom.

Anus

Workout mode

- Turn on Gballs³ and connect to the **Magic Kegel** application.
- On the **Magic Kegel** application settings page, select the «Off-line mode» option.

Setting

Off-line Training

- Turn on the Gballs³ device and the workout will start in 30 seconds. Squeeze the muscles of the pelvic floor when the vibration starts. Follow the instructions in the application.

> **TIP:** *To exit the Off-line Mode, reconnect Gballs³ to Magic Kegel application.*

Independent Modes
(without using a smartphone)

Vibration mode when squeezing

Turn on the Gballs³ device. Squeeze the muscles of the pelvic floor to control the vibration of the device.

Constant vibration mode

Press the power button to go from the «Squeeze» mode for a constant vibration mode.

How to charge

- Plug the USB cable into the charger slot. Connect to the USB port of the laptop, personal computer or to the charging adapter for smartphones. Plug the adapter into an outlet.
- The indicator light signals that the charging has started. The indicator turns off when the device is charged completely.

> **TIP:** *The period of the complete charging should be 4 hours.*

Cleaning Gballs³

Wash the device with the warm water with antibacterial soap before using for the first time. After using, wash the toy with the soap and wipe it dry with a towel.

Switching Off

To switch off the device press and hold the power button for 3 seconds. The indicator turns off, signaling that the device is off.

Storage

- Keep the Gballs³ device in a cool, ventilated place. Do not expose to direct sunlight.
- Keep out of the reach of children.
