WHY THIS RESOURCE?

- Helps students **learn long vowel sounds using simple, focused text**. Each booklet targets one long vowel, making it easy for young readers to build phonics skills step by step. It's ideal for early learners, special education, and English-language learners.
- Prep is **quick and easy** — just print, staple, and cut. You get two mini books per page, which saves both time and paper. Since the structure stays the same across all booklets, **students get repeated practice that helps reinforce reading strategies and vocabulary**.

FEATURES OF THIS RESOURCE:

- Long vowel sounds booklets
- Creates 2 booklets from each printout
- Repetitive sentence structure builds fluency and confidence
- Predictable text supports emerging readers and ELLs
