

## Organic Aloe Vera Products For People

### Certified Organic Products for People

*The benefits from the juice of the Aloe Vera plant were known as far back as 6,000 years ago in ancient Egypt. Aloe was regarded as a sacred plant, which held the secrets to beauty, health and immortality!*

Healthy...by nature

...Massage,  
Skin & Hair  
Care

### Massage Treatment

For Body Massage and Spa Therapists – 50g is enough for a full body massage for 1hr and leaves the client invigorated with no messy no oily residue. Excellent for foot reflexology. Beneficial for allergies, sinus, pain, headache & breathing problems. Massage chest area temples & head. Assists clear thinking. (rub hands & breathe deeply with hands cupped over nose.)

Suitable also as a hair treatment. Massage scalp & Hair – Leave 20 mins and later shampoo.

**1Kg makes  
200 - 1 Litres  
Aloe Vera  
High Quality  
Health Drink**

Available in: 400g or 1Kg

Available in: 1L. 4L. 25L

- If using Aloe Vera Juice for the first time maybe start with 30ml to 50ml per day for first week or to allow your Digestion to get use to it.
- Add 10g Powder (approx two rounded teaspoons) to 1 Lt water and shake.
- Allow approx 10 mins to dissolve. Refrigerate & consume within 3 to 5 days. Consume a minimum of 200 to 300ml per day.
- The product settles so shake each time before use. For an additional boost, and maximum polysaccharide health benefits add a 1/4 teaspoon with fresh vegetable juice or health smoothies and drink daily.
