

## WHAT DOES EZ MELTS C DO FOR THE BODY?

-  Vitamin C supports healthy immune function and may be taken to help reduce the risk of catching the common cold.
-  Vitamin C has antioxidant properties that help neutralize free radicals in the body, thereby promoting cellular health and general wellbeing.
-  Vitamin C assists in dietary iron absorption and can therefore support healthy stores of iron in the body.

- Monk Fruit Extract – natural sweetener
- Stevia – natural sweetener
- Silica – used to form tablets

## WHY IS EZ MELTS C BETTER THAN THE COMPETITION?

- EZ Melts tablets melt in your mouth so there's no need to swallow a large tablet or capsule. The dissolving tablet also makes it easier for your body to absorb the adequate nutrients it needs, especially in the case of those with compromised digestive systems.
- EZ Melts tablets taste great while containing zero sugar! They are also gluten-free, GMO-free, dye-free, and contain zero artificial flavors or sweeteners.
