

"All truth passes through three stages. First, it is ridiculed.
Secondly it is violently opposed.
Third, it is accepted as being self-evident."

-Arthur Schopenhauer

"Loyalty to a petrified opinion never yet broke a chain, or freed a human soul"-Mark Twain

The Livestock industry is one of the largest contributors to environmental degradation worldwide.

Modern practices of raising animals for food contributes on a "massive scale" to air and water pollution, land degradation, climate change, and loss of biodiversity.

2006- United Nations Initiative

"Non-violence leads to the highest ethics, which is the goal of all evolution. Until we stop harming all other living beings, we are still savages."

Thomas Edison-Inventor

Olsenhaus is a new line of Designer Vegan Footwear & Handbags by Elizabeth Olsen. Elizabeth is from the South, and a graduate of FIT Design School in New York City. She has traveled the world over, and worked for notable brands. She was Creative Director for Tommy Hilfiger Handbags, and has worked with Calvin Klein, Bulga, Nine West, Jodi Arnold and many others.

On the West coast, as a stylist she worked on numerous print, commercials, and films, clients included Nike, Nissan, Nike Goddess, Universal Studios, and IBM.

Olsenhaus was created to merge loves of Art, Design, Fashion, Function, and being a voice for Animals. 20 Years ago, she became a vegetarian and later a vegan. Elizabeth is deeply committed to the shift in consciousness to awareness of the truth, for the freedom of the animal kingdom, and thus the evolution of humankind.

Olsenhaus is ethically produced, with all non- animal materials, using principals of fairtrade, and 100% Vegan owned. Green, recyled, and organic materials are used when available. Most piece goods are from Italy, and we work with facilities in Central America.

Philanthropically donations are made to PETA, Greenpeace, The Theosophical Society, and Farm Sanctuary.
