# EF2200iS

## 2.2 kVA Inverter Generator

The EF2200iS strikes the perfect balance between power and portability, making it powerful enough to run appliances, tools, and electronic devices without taking up too much valuable space.

It's the ideal generator for campers, caravanners, adventurers, and outdoor enthusiasts.

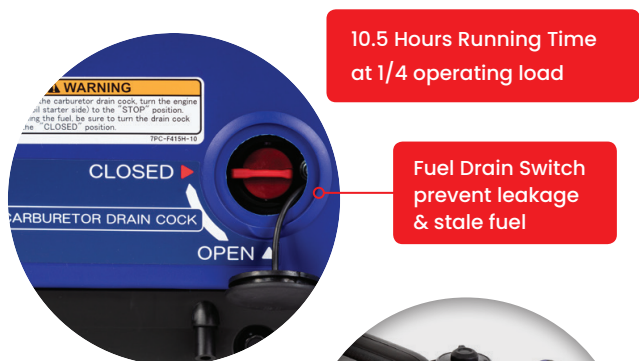

# EF2200iS

## FEATURES AND SPECIFICATIONS

## GENERATORS

10.5 Hours Running Time at 1/4 operating load

Fuel Drain Switch prevent leakage & stale fuel

Tri-Handle Design easily carry with 1 or 2 people

Fully Open Toolless Back Panel easily access internal parts

12V DC Outlet more options to connect devices

Multi Function LED Meter displays output, low oil, overload, self diagnosis and hour meter

Boost Mode for extra grunt / reset function

## SPECIFICATIONS

Model	EF2200iS
Type	Inverter
Rated Voltage	230 V
Frequency	50 Hz
Rated Output	1800 Watts
Max Output	2200 Watts
DC Output	12V / 3Amps
Engine Type	OHV MZV-22i Air Cooled
Max Output	2.3kW (3.1hp) @4500rpm
Starting System	Recoil
Size (LxWxH)	555x300x470 mm
Dry Weight	25kg
Fuel Tank Capacity	4.7L
Displacement	79cc
Operating Hours (1/4 Load)	10.5hr (Eco On)
Noise Level (1/4 Load)	57dBA (7m)
Noise Level (Full Load)	65dBA (7m)
Circuit Breaker	Electronic
