# EF2400iS

## 2.4 kVA Inverter Generator

EF2400iS is the perfect generator for running the air conditioner in your caravan!

Introducing the EF2400iS Silent Inverter Generator, which delivers maximum output with minimum effort. This generator is both powerful and portable, making it an ideal choice for your needs.

This generator can run a variety of appliances, including a fridge, kettle, television, toaster, portable heater, lights, laptop computer, hair dryer, air conditioner, coffee maker, electric hand drill, belt sander. It can effortlessly run your caravan air conditioner even on those 40-degree days.

### SPECIFICATIONS

Model	EF2400iS
Maximum Output	2400 Watts
Rated Output	2000 Watts
Operating Hours (1/4 Load)	9 hr
Fuel Tank Capacity	6 L
Dry Weight	32 kg
Size (LxWxH)	527x419x459 mm
Noise Level (1/4 Load / 7m)	54 dBA
Noise Level (Full Load / 7m)	59 dBA
Starting System	Recoil
Fuel Gauge Monitor	Yes
Independent Fuel Tap	Yes

### FEATURES AT A GLANCE

- **USFS-Approved Spark Arrestor** eliminates errant sparks.
- **TwinTech™ Capability** enabling you to connect two EF2400iS for almost double the power output.
- **OHV Engine With Cast Iron Cylinder Liner** for longer life, powerful performance and excellent heat dissipation.
- **Smart Throttle™** varies engine speed based on load to improve fuel economy and reduce noise.
- **Petrol Petcock** helps prevent carburettor contamination during storage.
- **Oil Warning System** prevents engine damage.
- **Fuel Gauge** displays fuel levels without having to open the fuel cap.
- **Inverter System with PWM (Pulse Width Modulation)** to safely run products with built-in microcomputers or microcomputer-controlled equipment/tools.
- **Auto-Decompression System** reduces compression for effortless starting.
- **Electrical Overload Breaker** prevents generator damage in case of overload.
- **Controls Located On One Panel** for easy access.
- **DC Outlet** with 8 Amp / 12 Volt outlet.
- **Easily Detachable Side Panels** for easier serviceability.
- **Noise Block™ Sound Reduction System** for performance so quiet, you'll forget the generator is even running.
