

FIRE FIGHTING - IRRIGATION - WATER TRANSFER - TRASH

3" WATER TRANSFER PUMP

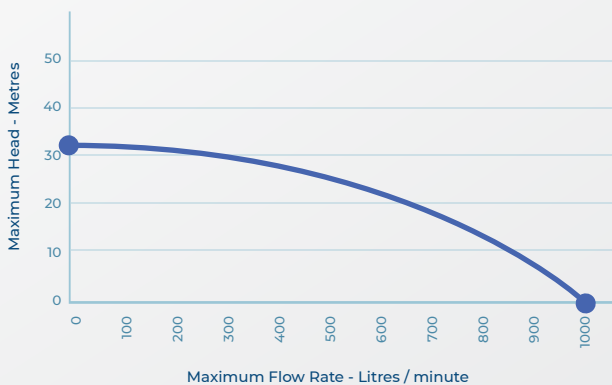

MH30-2

The MH30-2 is a 3" Water Transfer Pump that is perfectly suited to a variety of water moving tasks including tank filling, irrigation and dewatering. It is powered with the legendary reliability of a Honda GX petrol engine. Weighing in at only 27 kg it is easy for a single person to move around a property or in and out of vehicles. But for such a portable package it offers high flow rates that will allow you to tackle big tasks. The MH30-2 is manufactured in Australia from high quality parts including cast-aluminium pump components and a heavy-duty roll frame.
