

SDS: Miracle Marker SAFETY DATA SHEET
OSHA 29 CFR 1910.1200

1. Identification Product Identifier: Miracle Marker

Recommended Use: Topical Use on small area prior to tattoo service.

Company: Brow Tricks LLC 50 E James Court Dr Meridian, Idaho 83646

Contact Telephone: 2088613124

E mail: browtrickshelp@gmail.com

Emergency Phone Number: 2088613124 or Call local poison control

Summary: Safety Data Sheet (SDS) for the sample with submitted composition. As per request, the contents and formats of the SDS are prepared in accordance with the US regulations relating to Labor 29 CFR 1910.1200(g).

2. Hazard(s) Identification

Physical Hazards: Not classifiable

Health Hazards: Not classifiable

Symbol(s): None

Signal Word: None

Hazard Statement(s): None

Precautionary Statement(s): None

Hazards Not Otherwise Classified: Not classifiable

Supplementary Information: While this material is not classifiable as hazardous under the OSHA standard, this SDS contains valuable information critical to safe handling and proper use of the product. This SDS should be retained and available for all technicians using this product incase of Client Reactions.

3. Composition/Information on Ingredients

CAS No.	Composition Name	% w/w
7732-18-5	Ionic Water	66.9
250585-34-1	Acrylic Acid-Styrene Copolymer	21
24634-61-5	Potassium Sorbate	0.1%
136-67-7 and 6358-31-2	Pigment	12

SDS: Miracle Marker SAFETY DATA SHEET
OSHA 29 CFR 1910.1200

4. First Aid Measures

After Inhalation: Supply with fresh air. Call for doctor/physician if you feel unwell.

After Skin contact: Avoid use by children under 3 years of age. In case of accidental ingestion, seek medical advice immediately.

After Eye contact: Rinse cautiously with water for several minutes. Remove contact lenses if present. Continue rinsing. Immediately call a poison center/doctor if redness or burning occurs.

After Swallowing: Wash mouth with water. Do NOT induce vomiting. Immediately contact poison control center/doctor.

Information for doctor:

Most important symptoms and effects, both acute and delayed: May be fatal if swallowed and blocks airways. May cause skin irritation or allergic reaction. Can cause eye irritation.

Indication of any immediate medical attention and special treatment needed: Treat according to symptom.

5. Fire-fighting Measures

Suitable extinguishing agents: Use CO₂, powder, water spray or alcohol resistant foam to extinguish. DO NOT USE full jet water.

Special hazards arising from the substance or mixture: May product corrosion/irritant vapor if lit on fire.

Special protective equipment and precaution for fire fighters: Wear fully protective suit and mouth respiratory protective device.

6. Accidental release measures (in large quantities)

Personal Precautions, protective equipment and emergency procedures: Cut off the leakage source, and collect spillage timely. Eliminate all ignition sources (no smoking, flares, sparks or flames in immediate areas); Ensure adequate ventilation; Beware of accumulation of vapor in low areas or contained areas, where explosive concentrations may occur; Use respiratory protective device against the effects of vapor; Do not breath vapor, Wear protective gloves/eyeprotection/face protection

SDS: Miracle Marker SAFETY DATA SHEET OSHA 29 CFR 1910.1200

Environmental Precautions: Do not allow product to enter sewers/surface or ground water. Inform respective authorities in case of seepage into water course or sewage system.

Methods and material for containment and cleaning up: Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust); Ensure good ventilation; Dispose contaminated material as water according to item 13.

7. Handling and storage

Precautions for safe handling: Keep away from heat/sparks/open flames and hot surfaces. No smoking.

Conditions for safe storage: Open items must be carefully resealed and never swallowed. Prevent leakage.

8. Exposure Controls/Personal Protection

Components with limit values that require monitoring at the workplace: The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

Additional information: The lists that were valid during the creation were used as a basis.

Based on the composition shown in section 3, the following measures are suggested for occupational safety measure: Appropriate engineering controls: handle in accordance with good industrial hygiene and safety practice. Wash Hands after handling. See section 7 for more information.

Personal Protective equipment: Protective breathing equipment if exposed to vapors should include the use of any respirators and components tested and approved under appropriate government standards such as NIOSH or CEN. Recommended Gloves: Nitrile rubber, thickness greater than .11mm. Eye protection: Protective goggles with side-shields.

9. Physical and Chemical Properties

Physical State/Color: White, off white, Or soft pinkish skin color.

Odor: Low odor.

Odor Threshold: Not determined
pH: 6.5-8

Melting Point: No date available.
Freezing Point: No date available.
Boiling Point: No date available.

SDS: Miracle Marker SAFETY DATA SHEET
OSHA 29 CFR 1910.1200

Flash Point: 75 C

Evaporation Rate: Same as water.

Flammability (solid, gas): No date available.

Flammability Limit - Lower: No date available.

Flammability Limit - Upper: No date available.

Vapor Pressure: No date available.

Vapor Density: >1.

Relative Density: No date available.

Solubility(ies): Soluble in water.

Partition Coefficient (n-octanol/water): No date available.

Self-Ignition: Product is not self-igniting.

Auto-Ignition Temperature: No date available.

Danger of Explosion: Product does not present explosive hazard.

Explosion limits: Lower: Not determined Upper: Not determined.

Decomposition Temperature: No date available.

Viscosity: No date available.

Vapor pressure: Not determined.

Density: Not determined.

Relative Density: Not determined.

Vapor Density: Not determined.

Evaporation rate: Not determined.

Solubility in/Miscibility with water: Not determined.

Partition coefficient (n-octanol/water): Not determined.

10. Stability and Reactivity

SDS: Miracle Marker SAFETY DATA SHEET
OSHA 29 CFR 1910.1200

Reactivity: No decomposition if used according to specification.

Chemical Stability: Stable under recommended storage conditions. Avoid sources of ignition.

Possibility of Hazardous Reactions: No known hazardous reaction.

Stable under recommended storage conditions. Avoid sources of ignition.

Conditions to Avoid (e.g., static discharge, shock, or vibration): High temperature.

Incompatible Materials: Strong acid, strong oxidizing agent and substance.

Hazardous Decomposition Products: No known hazardous decomposition products.

Hazardous Polymerization: No data available.

11. Toxicological Information

Acute toxicity: Not classified as toxic or harmful mixture.

LD/LC50 values that are relevant for classification: No animal testing has been done

13463-67-7 Pigment White: Titanium Dioxide

Rabbit LD50- skin > 8000mg/kg

Rat LD50- oral >3000 mg/kg

Information on the Likely Routes of Exposure:

Inhalation: No data available.

Ingestion: No data available.

Skin Contact: No irritant to skin.

Eye Contact: May cause damage to eyes. Do not put into eyes. Follow above instructions if accidentally put directly into eye.

Symptoms Related to the Physical, Chemical and Toxicological Characteristics: See Section 4.

Delayed and Immediate Effects of Exposure:

Acute Toxicity – Oral: No data available.

SDS: Miracle Marker SAFETY DATA SHEET
OSHA 29 CFR 1910.1200

Acute Toxicity – Inhalation: No data available.

Carcinogenicity: Not considered to be a carcinogen.

Mutagenicity: No data available.

Aspiration Hazard: No data available.

IARC: None of the ingredients listed.

NTP: None of the ingredients listed.

12. Ecological Information

Ecotoxicity

Aquatic: Not Hazardous to aquatic environment.

Terrestrial: No data available.

Persistence and Degradability: Readily degradable.

Bioaccumulative Potential: Low bio-accumulation.

Mobility in Soil: No data available.

Mobility in Environment: No data available.

Other Adverse Effects: No further information available.

13. Disposal Considerations

Dispose of all waste in accordance with Federal, State and Local regulations.

14. Transport Information

UN Number: Not applicable.

UN Proper Shipping Name: Not applicable.

Transport Hazard Class(es): Not applicable.

Packing Group: Not applicable.

Department of Transportation: Not regulated as a hazardous material.

International Air Transport Association (IATA): Not regulated as a dangerous good.

International Maritime Dangerous Good (IMDG): Not regulated as a dangerous good.

SDS: Miracle Marker SAFETY DATA SHEET
OSHA 29 CFR 1910.1200

15. Regulatory Information

US Federal Regulations: Not listed.

Toxic Substance Control Act (TSCA): Not listed.

CERCLA Hazardous Substance and Reportable Quantity: Not listed.

SARA 313: SARA 302: Not listed.

State Regulations California Proposition 65: Not listed.

16. Other Information

NFPA Rating:

Health: 0

Flammability: 1

Reactivity: 0

Revision Date: 10/01/2020

Revision Number: 1

Disclaimer: This document is generated to distribute health, safety and environmental data. It is not a specification sheet and none of the displayed data should be construed as a specification. Information on this SDS sheet was obtained from sources which we believe are reliable, and we believe that the information is complete and accurate. However, the information is provided without any warranty, express or implied, regarding its correctness. Some of the information presented and conclusions drawn are from sources other than direct test data of the substance. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may also be beyond our knowledge. It is the user's responsibility to determine the suitability of any material for a specific purpose and to adopt such safety precautions as may be necessary. If the product is used as a component in another product, this SDS information may not be applicable. For these reasons, we do not assume any responsibility and expressly disclaim liability for any loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of this product.
