PRODUCT E-BOOK

NEWTRINO™

DENSIFYING
SERUM

SÉRUM DENSIFIANT

Fortified with Anagain®
and Procapil®

100ml^e
3.38 FL. OZ

CONTAINS 9 DHT BLOCKERS:

Anagain® (Pisum Sativum Sprout extract), Procapil® (Olive Leaf Extract, Apigenin & Biotinoyl Tripeptide-1), Saw palmetto, Horsetail Silica, Rosemary extract, Green tea extract, Grape seed extract, Ginseng root extract, Nigella Sativa that are all proven to block the uptake of DHT and decrease its ability to bind to androgen receptors by up to 50%.

Densifying Serum

Introduction

This serum is designed to assist in anchoring your hair deeper for longer, encourage hair density, stimulate growth and improve condition. This fragrance free serum is made from the highest quality herbal extracts and compounds in a hydrating solution that delivers the ingredients deep within the follicle and scalp without drying out the skin.

**Trichologist
Endorsed Formula**

professional use

**Sold in hair loss
clinics**

Our products are
prescribed by hair loss
professionals

HOW TO USE THIS SERUM

Gently shake the bottle
before use to mix the herbal
ingredients thoroughly.

Unscrew the lid, and gently
squeeze the white pipette tip
to fill the dropper with serum.

Place the tip on your scalp and
press the white pipette to
disperse serum while moving
the tip across your scalp.

See full step by step instructions on page 7.

[See how to use the serum in this video.](#)

Vegan Formula

NEWTRINO™

FOR NEW HAIR BEGINNINGS

Densifying Serum

**Stimulates the
follicles and
scalp***

Contains Procapil® that is proven to improve Laminin 5 surrounding the hair follicle root sheath membrane, thickening the follicle wall and promoting cell duplication and mitosis.

CLINICAL STUDY:

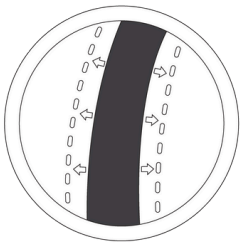

[8] J Dermatol Sci. 2010 Apr; 58(1): 43-54. Published online 2010 Feb 16. doi: 10.1016/j.jdermsci.2010.02.005 Laminin-511, inducer of hair growth, is down-regulated and its suppressor in hair growth, laminin-332 up-regulated in chemotherapy-induced alopecia

BENEFITS OF USE

Just once a day

Clinical Trial: 68% of participants experienced visible hair regrowth within 120 days*

*CLINICAL STUDY: [2] SEDERMA: FR 2 791 684; WO 00/58347; RD 479 016; US 2006/0067905.
Four-month placebo-controlled clinical trial of Procapil® (Laboratoires DERMSCAN).

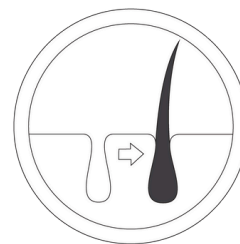

Increase hair density

Contains Procapil® that is clinically proven to increase hair strand density by up to 121%.

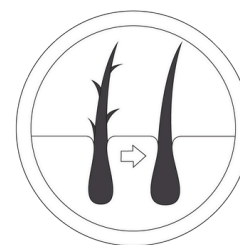

Anchors the hair

Contains Procapil® (Apigenin, Oleanolic Acid, Biotinoyl Tripeptide-01) and Anagain® (Pisum Sativum Sprout extract) that are clinically proven to increase hair anchorage by up to 88%.

Stops excessive shedding

Contains Anagain®, Procapil® and a proprietary herbal blend which are proven to stop excessive shedding by encouraging more hairs into a healthy growing cycle for longer.

Prolongs hair growing cycles

Our proprietary blend of herbal extracts assists in creating a sulphur rich environment to prolong the hairs growing cycle by up to 67% and reduce shedding by 38%.

Destroys DHT and PGD2

Contains 9 powerful DHT and PGD2 blockers; Anagain® (Pisum Sativum Sprout extract), Procapil® (Olive Leaf Extract, Apigenin & Biotinoyl Tripeptide-1), Saw palmetto, Horsetail Silica, Rosemary extract, Green tea extract, Grape seed extract, Ginseng root extract, Nigella Sativa that are all proven to block the uptake of DHT and decrease its ability to bind to androgen receptors by up to 50%.

STEP BY STEP INSTRUCTIONS

How to use your Densifying Serum

Inside your box you will find a Densifying Serum, a User Manual OR a QR code card with your electronic user manual (depending on your country).

On the side of the box you will find another QR code that links you to a free hair loss consultation with our resident trichologist.

This QR code card found inside your box will link you to the full Newtrino Densifying range.

The front of the card (green) will take you to the Men's range, and the back of the card (red) will take you to the Women's range.

If you have any additional questions or need further assistance please email info@newtrino.co.

User Manual

This printed user manual is found in select countries based on your language and country requirements, therefore it might not be found inside your box. Please scan the QR code card found inside your box for the digital User Manual.

01.

Gently shake the bottle to ensure the herbal compounds are mixed thoroughly before use.

02.

Squeeze the white silicon tip to fill the glass dropper with serum to 3/4 full.

03.

We recommend you use 1 - 2 full droppers of serum depending on the size of the affected area. Gently press the white silicon tip to slowly release serum onto the scalp.

For best results we recommend you apply the Densifying Serum to pre-washed, towel dried hair.

[Click here to watch video on how to apply the serum](#)

04.

Once the Serum is applied to the scalp, we recommend you perform a gentle scalp massage to improve the absorption and delivery of the serum within the skin and follicles.

Place your fingers on either side of the applied area, and gently massage by moving the skin back and forth to allow the serum to penetrate deeper within the scalp.

[Click here to watch video on how to apply the serum](#)
