In My Shoes Activity Selector

Choose what you'd like to do from the following 3 options:

- Start a new session  
(you will be asked to save the new interview document)
- Continue a previously saved session  
(you will be asked to locate and open the old interview document and then to save to a new one)
- Open an interview document for viewing  
(you will be asked to locate and open the old interview document)

Quit OK

OK

The image shows two screenshots of a software interface. The top screenshot displays a green background with silhouettes of five people and two animals (a dog and a rabbit). Below the silhouettes are labels: 'chloe', 'denise', 'Layla', 'poppy', 'lillian', and 'rabbit'. The 'Layla' label is highlighted with a pink bar. The bottom screenshot shows the same scene but with a red house in the background. On the left, there is a 'big hapy' icon (a smiling face) and a row of seven emotion icons (happy, neutral, sad, angry, surprised, etc.). The labels 'chloe', 'Layla', 'poppy', 'rabbit', 'lillian', and 'denise' are positioned below the figures. The 'Layla' label is again highlighted with a pink bar. The interface includes a title bar 'In My Shoes: Emotions & People', a search bar 'carers (c)', and an 'OK' button in the bottom right corner.
