Warranty Statement For LMR Batteries And Chargers

Through CanCom Sales Inc., Power Products Unlimited, Inc. (PPU) warrants its two-way radio (LMR) batteries to be free from defects in workmanship and materials for 12 months **from the date of purchase from CanCom**. During this 12-month period, CanCom warrants that its LMR batteries will maintain a percentage of their rated capacity as follows: Japanese or Korean cells at 80% and Chinese cells at 70%.

CanCom warrants its PolyMax HPC™ batteries to be free from defects in workmanship and materials for 24 months **from the date of purchase from CanCom**. During this 24-month period, CanCom warrants that these batteries will maintain 80% of their rated capacity.

CanCom warrants its Endura rapid chargers to be free from defects in workmanship and materials for 24 months **from the date of purchase by the end user**.

CanCom warrants its Logic Energy in-vehicle chargers to be free from defects in workmanship and materials for 36 months **from the date of purchase by the end user**.

Should any problem covered by this warranty develop, return the battery or charger with dated proof of purchase to CanCom for replacement. CanCom will ship a replacement for any defective product returned during the warranty period. For batteries, this warranty is void if the date code label has been removed or if the battery has been improperly charged. For batteries and chargers, this warranty is void if the product has been altered, misused, damaged, or neglected. In no event will CanCom, its affiliates, subsidiaries, related entities, or their respective directors, officers, or employees be liable for any damages beyond replacement as described above, including without limitation, indirect, incidental, or consequential damages.

Shipping and other costs related to return of defective products to CanCom are the responsibility of the purchaser. An RA number is required for any products returned to CanCom.
