How to measure

- A. Chest** – Measure around widest part of the chest. If wearing a bra, measure with it on.
- B. Waist** – Measure around the narrowest part of the waist, generally around the button area.
- C. Hip** – With your legs together, measure around the fullest part of your hips.
 - High hip** – approx. 4" down from natural waist.
 - Low hip** – approx. 8" down from natural waist.
