THE BEST TECHNOLOGY FOR QUILTERS

The BERNINA 770 QE PLUS Kaffe Edition combines innovation with plenty of space. The extended frearm creates an extra-wide work area, with 10 inches of space to the right of the needle for large quilt projects. The fast and quiet BERNINA Hook sews high-precision stitches up to 9 mm in width. The bobbin holds up to 70% more thread than standard bobbins. Both the BERNINA Stitch Regulator (BSR) and the BERNINA Dual Feed come as standard. The BSR ensures beautiful, even stitches when free-motion quilting, whilst the Dual Feed effortlessly handles difficult and fine fabrics by feeding from both the top and the bottom.

BIG BLOOMS INSIDE!

With 531 decorative stitches, 74 quilting stitches, 38 utility stitches and 9 sewing alphabets, the B 770 QE PLUS Kaffe Edition is well equipped for all your creative needs. 31 exclusive decorative stitches were designed specifically for this machine—based on hand-drawn designs by Kaffe Fassett.

Furthermore, it comes preloaded with a wealth of embroidery designs including 64 exclusive Kaffe Fassett motifs—15 Guinea Flower designs from the machine's faceplate, 17 Big Blooms from the included fabric bundle, 3 Paperweight designs, 26 quilting designs and 3 Multi-hooped needlepoint designs. Upgrade your B 770 QE PLUS Kaffe Edition with the Embroidery Module L with Smart Drive Technology (SDT) to add a further dimension to your work.

GO WHEREVER YOUR CREATIVITY TAKES YOU!
