BEDSIDE TABLE

# Hudson

Simple and yet eye-catching, Hudson works perfectly in a bedroom ambiance as a bedside table, next to a bed or, in a more casual note, in a living room as a side table next to a sofa or occasional chair. Its functional top with a drawer sits on four elegant legs and a metal frame above the wood plinth elegantly divides the top from the base. We offer a wide range of finishes, wood veneers or stains and various metal finishes and handle options.
