

DESIGNSTUFF Toilet Roll Storage Holder

This minimalistic unit is all about functionality, carefully holding and storing up to four rolls of toilet paper in a discreet yet stylish manner. Its powder coated iron body is rust resistant, and its oak veneer lid is moisture resistant, meaning it's going to be fine when situated in splash zones and wet areas.

- Minimalistic Scandinavian design to suit all styles
- Offers storage and protection for your toilet paper rolls
- Holds up to 4 standard sized rolls of toilet paper
- Rust and moisture resistant for use in wet areas.
