

Wet. wipes

ANTIBACTERIAL WIPES DISPENSER

Premium protection and care for your workplace

In shared facilities, it's important to reduce cross-contamination and protect your staff and customers from the risks of poor surface hygiene.

It's easy to keep surfaces looking clean – but more important to keep them hygienic. Our handy WetWipe dispenser helps you do both.

- Stylish wallmounted design
- 200 wipes
- Hygiene in an instant - break the infection chain!

Why choose our Antibacterial WetWipes?

ELIMINATES HARMFUL VIRUSES & BACTERIA

E. Coli, Salmonella, Listeria,
Staphylococcus etc.

HYGIENICALLY SUPERIOR

Disposable wipes that
clean and sanitise

EASY TO USE

Individual pre-moistened wipes
– easy dispensing solution
