

Fine Food Stop is proud to announce we will be listing St Canut Farms Milk Fed Pork. St Canut is a family farm that has been operating for over 40 years.

- Piglets are raised antibiotic and hormone free
- All piglets are raised for 10-12 weeks. In the first 8 weeks, piglets are raised on a 100% milk diet. After 8 weeks, oats are added (8% of the feed) to their diet to help digestion and reduce stress
- Rendered St Canut Pork fat holds the same oil quality as an extra virgin olive oil
