

3D Art Intern

Our Team

Mighty Jaxx is the leading integrated future culture platform in Southeast Asia today. With a mission to supercharge future culture phygitally, Mighty Jaxx's integrated platform will empower future pop culture brands with an end-to-end supply chain of digital and phygital collectibles, including artist development and incubation, proprietary IP operation and providing global consumers access to new D2C experiences.

Mighty Jaxx partners with the greatest creative talents in the world, as well as top global brands such as Netflix, Formula 1, Hasbro, Toei Animation, Cartoon Network, Nickelodeon, Warner Brothers, Adidas and many more to ship millions of phygital collectibles to over 90 countries worldwide.

We are proud to be an equal opportunity employer with a diverse, inclusive work environment and encourage our employees to bring their authentic, fun-loving, and high-energy selves to the workplace.

Your Role

We are looking for a strong 3D Art intern who will support our team in the overall production of art collectibles. You will be assisting our 3D team to create 3D artworks using various modeling and texturing techniques.

Responsibilities

- Develop high quality and cutting edge, animating characters and objects for 3D artworks
- Understand specific project requirements and develop high quality 3D models
- Utilise 3D modeling, mapping, texturing, lighting techniques etc to create realistic visual elements
- Optimise and render 3D artwork to create a realistic environment
- Troubleshoot problems on reintegration of outsourced assets into the 3D artwork
- Assist in the development of high poly sculpts and textures for 3D arts
- Assist in the creation of 3D assets for artworks and models

Requirements

- Proficiency in ZBrush is a must
- Knowledge of other modeling software i.e. 3ds Max, Maya, Blender, etc
- Knowledge in Keyshot, basic animation and experience with AR is a plus
- A keen eye for form, shape and structure that can aid in creating collectible toys with mass appeal
- Able to create low-poly models
- Comfortable working on different projects and communicating efficiently with other departments
- Available for a part-time or full-time internship from end July/August onwards, for a minimum of 3 months

**Please also attach a copy of / link to a portfolio showing your sample design work.

To apply, please send an updated copy of your resume to people@mightyjaxx.com

While we value all submissions, we regret that only shortlisted candidates will be contacted by our People team.
