- Creating detailed sketches and illustrations to communicate ideas to the team.
- Directing the work of other designers, artists and interns.
- Using digital tools such as Photoshop, SketchBook, and Illustrator to create and edit artwork.
- Participating in meetings and presentations to present and discuss concepts with the team and clients.
- Assisting in the development of style guides and design documents.
- Staying current with industry trends and techniques.

### **Requirements**

- Currently enrolled in a Art or related program, in an institute of higher learning
- Proficiency in Adobe CC software; especially Illustrator & Photoshop
- Strong understanding of design principles and typography
- Strong attention to detail and ability to work in a fast-paced environment
- Strong verbal and written communication skills
- Ability to work independently and as part of a team
- Ability to commit to a part time (3 days a week) or full time internship from Feb 2024 onwards
