

Concept Art Intern

Our Team

Mighty Jaxx is the leading integrated future culture platform in Southeast Asia today. With a mission to supercharge future culture phygitaly, Mighty Jaxx's integrated platform will empower future pop culture brands with an end-to-end supply chain of digital and phygital collectibles, including artist development and incubation, proprietary IP operation and providing global consumers access to new D2C experiences.

Mighty Jaxx partners with the greatest creative talents in the world, as well as top global brands such as Netflix, Formula 1, Hasbro, Toei Animation, Cartoon Network, Nickelodeon, Warner Brothers, Adidas and many more to ship millions of phygital collectibles to over 90 countries worldwide.

We are proud to be an equal opportunity employer with a diverse, inclusive work environment and encourage our employees to bring their authentic, fun-loving, and high-energy selves to the workplace.

Your Role

Concept Art is a big part of the Mighty Jaxx creative process. Through visually impactful executions, the concept artist brings to life product concepts that are highly sought after by our fans. As a concept artist, you are part of a team of creatives that are passionate about pop culture and collectibles and constantly looking to create innovative and delightful experiences for our audience.

Responsibilities

- Collaborate with other creative functions in researching, designing, iterating, and creating great collectible products for Mighty Jaxx
- Support cross-functional needs within the designated business unit to ensure the success of the product
- Be aware of wider business goals and proactively look to align the design out with these goals
- Be aware of wider collectible trends and products and have it informed the creative process

Requirements

- Currently enrolled in an Art or related program, in an institute of higher learning
- A portfolio demonstrating a strong sense of aesthetics and range
- Familiarity with character design processes (turnarounds, reviews)
- Experience with Adobe Photoshop
- Familiarity with Illustrator, or any 3D software would be a bonus
- A good appreciation of pop culture and the collectible scene
- Strong attention to detail and ability to work in a fast-paced environment
- Strong verbal and written communication skills
- Ability to work independently and as part of a team
- Available from February 2024 onwards for a minimum of 3 months
