- Assist to create key graphic visuals for advertisements, social media and marketing campaigns and packaging material
- Collaborate with other creative functions to research, design, iterate, and contribute to the creation of collectible products for Mighty Jaxx
- Align graphic design efforts with the overall look and feel of Mighty Jaxx products
- Stay informed on global collectible trends and products to inform and enrich the creative design process

Requirements

- Currently enrolled in an Art or Design related program, in an institute of higher learning
- Ability to commit to a part time (minimum 2 days a week) or full time internship
- Proficiency in Adobe CC software; especially Illustrator & Photoshop
- Proficiency in motion graphics software would be a bonus
- Strong understanding of design principles and typography
- Proactive approach to problem-solving
- Strong attention to detail and ability to work in a dynamic environment
- Strong verbal and written communication skills
- Ability to work independently and as part of a team
- Available from January 2024 onwards for a minimum of 3 months
