## **Responsibilities**

- Deliver high-quality reports analyzing sales data and other non-quantitative performance indicators
- Support the various team members on daily account management duties
- Approach prospective out-bound licensing partners to monetize a vast portfolio of intellectual properties
- Support the lead generation of in-bound licensing partners
- Support the cross-department escalation of conflicts between licensors and the company
- Any other tasks to be assigned by the Management and Head of Departments

## **Requirements**

- Student in an institute of higher learning
- Highly organised with excellent time management skills
- Meticulous and detail-oriented
- Available for an internship immediately
- Interested in the process of identifying Intellectual Property owners to work with, and liaising with them on a daily basis
