

Groin Hamstring Stabilizer

Suggested LCode: L2999

APPLICATIONS:

The Sports Medicine professional was top of mind when designing the Groin Hamstring Stabilizer. Gone are the days of needing a figure "8" hip spica with an ace wrap, thanks to the G100's durable and strong construction.

This product provides excellent support for athletes and active non-athletes alike at the waist and hip, making it a versatile solution for supporting the hip flexors, quads, hamstrings, and groin musculature. With a waistband and two closures in the thigh region, the G100 is an excellent choice for supporting the body before or after an injury and during rehab.

FEATURES:

- Hip Spica design prevents migration
- 2-6" elastic straps cross musculature involved to provide superior support
- Soft elastic material
- Latex free

PRODUCT VARIATIONS:

- G100 - Left
- G100 - Right
- G200 - Bilateral

INDICATIONS:

- Groin Strain
- Hamstring Strain
- Quadriceps Strain

Washing Instructions:

Close all straps and hand wash with gentle detergent. Do Not Bleach. Air dry
