

KWIK-STIK WALL PADDING

Protect your facility with wall padding that looks great and provides continuous protection where you need it the most.

KEY FEATURES

Uses Resilite 1-inch Classic Mat material and hot-spray vinyl coating.
Fits around corners, columns, and obstructions to provide continuous protection.
Easily customized with logos, lettering, and graphics to match your brand.
Available in 25 standard Resilite vinyl-coating colors.

UNMATCHED PROTECTION

Provides medium to heavy-duty continuous protection.
Easy to clean surface.
Meets or exceeds ASTM F2440 Wall Padding Standard for impact protection.

OPTIONAL UPGRADE

ANTIMICROBIAL PROTECTION

Helps protect the mat surfaces from bacteria, mold, and mildew.

KWIK-STIK WALL PADDING AND CLASSIC MATS ARE THE RECOMMENDED SURFACES FOR A WRESTLING ROOM.
