## BEFORE WE START..

### WHAT FEDERATION AND DIVISION ARE YOU COMPETING IN??

We have 3 different categories of competition suits:

Custom Bikinis, Figure Suits and Couture Bikinis.

Different federations and categories have their own requirements for what you should wear on stage. Use our recommendations as a guide but always check your specific federation's rules!

### ICN / ANB / NABBA / PCA

Competition Bikinis, Couture Bikinis

All of our Custom Bikini designs are appropriate and even a toned down version of our Couture Designs can be selected (no body drapes/arm bands/chokers etc)

### IFBB / NPC

Competition Bikinis

Your bikini should compliment your physique not distract from it. Have a look at what the top Olympians are wearing. This is what you should be aiming for!

### WBFF / ANGELS / THEMWEAR

Couture Bikinis

The more glamorous the better! With your help we can design your dream Custom Couture Bikini, or select from one of our Couture Designs. These bikinis can also be worn in Angels or Themewear categories in many federations!.

### FIGURE

Figure Suits

We offer Custom Figure Suits and Ready To Ship Options, These suits have a double strap connecting the briefs to the top to show off the competitor's back.

# When Should I Order?

## HOW MANY WEEKS OUT?

### COUTURE DESIGNS

For Couture designs we suggest getting in 16-20 weeks out from your competition. Measurements will be taken closer to the date of your show to ensure it is the correct fit.

### CUSTOM COMPETITION BIKINIS

For our custom competition bikinis 8-10 weeks out is a good range. If you're relatively close to stage weight you can order further out but if you have a fair bit to lose you may want to wait till you're about 8 weeks out to get the correct size.

### READY TO SHIP

These can be shipped out within 2 days of purchasing

### TURN AROUND TIME

Our current turn around is 2-4 weeks

This allows time for your bikini to be hand made, embellished and brought back to us for dispatch

# Colours!

## HOW DO I CHOOSE THE RIGHT COLOUR?!

### TRUST YOUR GUT, GO WITH THE COLOUR YOU LOVE

Is there a colour you love to wear or get complimented in?  
Stalk our IG and see what colours stand out to you!

### TAKE OUR QUIZ!

Choosing a bikini colour is not always easy. You must take into consideration your hair colour, the comp tan, and what will make you feel the most confident. If you have no idea where to start, take this quiz to find out which colour might be right for you!

### CONSIDER YOUR TAN

Remember your skin tone will look very dark with the competition tan. Every tanning company will have a different undertone or look slightly different but you always want a bikini colour that will stand out from your skin colour and not blend in.

the  
opposite  
colour will  
always  
stand out!

### STAGE LIGHTING & BACKDROP

Look at photos from the previous Season's competitions. The venue, lighting and stage conditions will usually be the same as previous years. This is a great way to see what colours stand out against the backdrop and what colours are popular.

## STEP 4 FABRIC & CRYSTAL COLOURS

### CUSTOM COLOURS

If you have a design in mind and want to choose all your options select “Custom Colours”. This allows you to select the exact fabric and individual crystal colours. Remember you can use our [Crystal Swatch Generator](#) to play around with your design!

### OUR MOST POPULAR COLOURS

Not sure what crystals will look good with your fabric? Select “Our Most Popular Colours” to select from our tried and true colour combos. These swatches have been hand picked by our expert bikini specialists so you can trust your suit will look stunning!

# Crystals

## STEP 5

### CRYSTAL TYPES

#### STANDARD

Just because our standard crystals are not Preciosa does not mean they are not beautiful. Most of our bikinis use standard crystals, which are made from high quality glass and resin. They shine beautifully and are more budget friendly.

#### PRECIOSA

This line of rhinestones has a very intricate cut which makes them incredibly shiny under lights and perfect for stage. Serious competitors invest heavily into their sport and they know that their outfits must draw the attention of the judges from the minute they step on stage. Preciosa has combined quality, durability and shine ensuring the highest-level of sparkle!

*Preciosa*

*Standard*

# Brief Style

## STEP 6

### BIKINI BRIEF FRONT STYLES

#### STANDARD

Standard style briefs is our original and most popular cut. These bottoms are suitable for All bikini and fitness federations. They sit around the hips and have a butterfly shaped scrunch bottom to accentuate the glues.

#### EURO CUT

The Euro Cut briefs have a V shape with a scoop front and butterfly scrunch bottoms. It is designed to sit high over the hips to give a flattering look to your midsection and create the illusion of elongated legs and smaller waist. These briefs are best suited to European competitors and federations like IFBB. Lots of ICN girls also love this look. We have noticed this style is becoming more popular with all federations.

#### STANDARD

#### EURO CUT

# Brief Style

## STEP 7

### BIKINI BRIEF CUTS

#### PRO

Small amount of coverage. If you have great glutes and want to show them off, then the 'Pro' cut is perfect for you.

#### MICRO PRO

For seasoned competitors only. If you have great glutes and want the least amount of coverage, then the 'Micro Pro' cut is ideal. Recommended for athletes who want the smallest amount of coverage in IFBB/NPC

#### BRAZILIAN

Our most popular cut is our 'Brazilian' it is a great all-rounder and is cut with a curve to sit around your glutes

#### EXTRA CHEEKY

For federations that require 1/3 coverage we recommend the 'Extra Cheeky' cut.

#### CHEEKY

For federations that require 50% coverage the 'Cheeky' cut is your best option.

# Hip Measurement

## STEP 8 HIP & BRIEF SIZE

### HIP MEASUREMENT GUIDE

Your brief size is determined by your hip measurement. Your hip measurement is to be taken on your HIGH HIP which is on your underwear line--NOT around your glutes or widest part. Take a tape measure and measure the full circumference of your hips

We want you to look and feel your absolute best on stage so please make sure you check your measurements properly. Remember to order with your stage weight in mind.

If you happen to be in between two sizes then please select the smaller size on your order form as you are likely to drop size as your competition date approaches. However if you are already close to stage weight then the bigger size may be more appropriate.

CHARACTERS LEFT: 5

DO YOU WANT TO CONFIRM YOUR HIP MEASUREMENT AT 4 WEEKS OUT? \*

We dispatch your order once your hip measurement is confirmed. You will be sent a friendly reminder via email at 4 week out

BRIEF SIZE \*

Use your Hip Measurement from above to figure out your size

Size	Hip Measurement
4	70-75cm
6	75-80cm
8	80-85cm
10	85-90cm

This sizing chart applies to ALL of our bikini brief and figure suit styles.

# Crotch Measurement

OPTIONAL

STEP 8

## CROTCH MEASUREMENT

Your crotch measurement is an optional measurement you can offer when placing your order. Our pattern will fit the vast majority of sizes but you may feel free to add this measurement in your order notes if you have a c-section scar you wish to hide or if you want your bottoms to sit higher or lower than usual.

To find your crotch measurement, take your tape measure to your back and hold the end of it at the top of your underwear. Pass the tape through your legs and take note of the measurement of where you would like your suit to sit at the front. Somewhere between 35-50cm is considered normal. Please contact us if you have any troubles.

## HIP CONFIRMATION EXPLAINED:

If you are placing your order 6 or more weeks out from your competition you have the option to confirm your hip measurement at 4 weeks out.

You place your order using your current high hip measurement and we complete 90% of production except for the back of the briefs to be sewn to the connector. We will send an email reminder for you at 4 weeks out to remeasure your high hip and update the measurement. This will ensure a firm fit for the day of your competition. If you fail to reply to our email, we will use your original measurement to size your briefs.

# Top Style

## STEP 9

### BIKINI TOP STYLE

Now its time to select your bikini top style, below we will go through all our different cups shapes. We have included horizontal and vertical measurements of the individual cups so you can use a measuring tape to compare them to your favourite triangle bikini top or bra cup.

Our top sizes run SMALL. We recommend choosing the bra size you currently measure at rather than what you think you will be on comp day.

#### SWEETHEART MOULDED

	#1	#2
A	15 cm	19cm
B	15 cm	19cm
C	15.5cm	20cm
D	16cm	21cm
DD Slim Coverage	16.5cm	22cm
DD Full Coverage	17cm	22cm
E	18 cm	23cm

#### SWEETHEART MOULDED

Our most popular cup is the 'Sweetheart' Moulded top. These scooped bra tops have a layer of padding sewn in to help enhance and shape the bust. This style is a great all-rounder and suits competitors with natural or enhanced breasts. This top style has been popular with girls with smaller busts as it adds fullness and cleavage whilst adding curves to your look. The shape of the cup also hugs the chest, preventing gaping and provides plenty of support. For natural competitors who want to control excess skin from breastfeeding or a huge weight loss, the sweetheart cups are great as they can help stop any 'spillage'. The shape also helps to add an extra cleavage boost, especially when extra padding is added. For competitors with implants this style is great as it moulds to the implant perfectly and sits nicely under the bust to hide any scarring from surgery.

# Top Style

## SLIDER

	#1	#2
A	16.5cm	14cm
B	17.5cm	14.5cm
C	18cm	15.5cm
D	18.5cm	16cm
DD Slim Coverage	18cm	16.5cm
DD Full Coverage	19cm	16.5cm
E	20cm	17cm

## SLIDER

Our Slider style top is a traditional triangle bikini, they are designed to slide along a draw string. This allows for more flexibility in the size and coverage of the top. This style is suited to competitors with implants. For our smaller busted girls, this top is not the most flattering because it is not padded or moulded. Slider bikini tops come with a thin layer of padding to avoid 'high beams'.

Model wear DD Slim Coverage

## BOMBSHELL DIVA

	#1	#2
A	16cm	10.5cm
B	16.5c	11.5cm
C	18cm	12.5cm
D	19cm	13.5cm
DD	21cm	14.5cm
E	22cm	15.5cm

## BOMBSHELL DIVA

Our 'Bombshell Diva' top has one continuous underwire which peaks in the centre. This style is suited to WBFF, IFBB and other fashion focused federations. It is a deep plunging bra that creates the perfect cleavage. It is best suited to most girls with implants or a large natural bust. We do not recommend these cups if you are smaller than a natural B cup.

# Connectors

## STEP 10

## CHOOSE YOUR CONNECTORS

### STRAP & BRIEF CONNECTORS

Browse through our collection of strap & hip connectors. You also have the option to select no connector which will make your neck and hip straps all fabric.

All neck straps tie up around your neck. The clear strap option means you will not have any fabric straps on the top. It will give the illusion of a strapless bra but give you the same strong support as our standard straps.

### MIDDLE CUP CONNECTORS

The smaller the connector the closer your bikini cups will sit. If your bust naturally sit further apart or you have a wide chest plate we recommend avoiding a wide middle cup connector.

# Extras

EXTRAS

STEP 11

## DOUBLE PADDING

Most of our competitors opt for extra padding during the order process and to give more lift; as prepping for a competition can reduce the fullness of your bust.

We will insert the padding for you with your bikini order. However if you want more, simply insert more padding into the hidden pocket, which is on the inside of the bra cup of your competition bikini. You can purchase extra padding via our website.

# Notes

## ADDITIONAL NOTES

You have the option to leave an additional note on your order. This is important if you have previously spoken to one of our team members and you have specific requirements for your order.

This is also a good time to mention if you have any unique features about your physique e.g; recent body transformation, above average height etc. we can then contact you for more information.
