LOGIN

- Country flags give you viability to other countries only. If your business needs require you to view products outside of your current country, select the flag that applies to your needs. Consultants are unable to make purchases outside of their country.
 - You will see country specific content on your Online Office for the country flag selected. The sale bar at the top of the page will include sale information based on the IP address your device is located in.
- New Consultant's will still have their "New Consultant Wizard" to complete when logging in for the first time.

General Enhancements

- A "Search" bar will navigate with you throughout the site allowing you search for all content including products, training content, news posts and more!
 - Please note the search bar may populate items that are not available your country. Country availability is noted under the product details.

The screenshot shows a product page interface. At the top left is a black 'Filter' button. To its right is a 'Sort By' dropdown menu currently set to 'Alphabetically, A-Z'. Further right is a 'View: Grid' button. A dropdown menu is open, listing sorting options: 'Featured', 'Best selling', 'Alphabetically, A-Z' (which is underlined), 'Alphabetically, Z-A', 'Price, low to high', 'Price, high to low', 'Date, old to new', and 'Date, new to old'. Below the menu, two product thumbnails are visible. The left one is labeled 'Catalog US (10)' and the right one is labeled 'S/PR (10) Spa'.

This section shows the pricing and cart area. On the left, there are four stars and the text 'Price: \$7.00'. On the right, there are five stars and the text 'Your Price: \$7.00' with 'Off' in red below it. Below the pricing are two cart buttons. The first button is preceded by a quantity selector showing '1' and a '+' sign, and is labeled 'Add to Cart'. The second button is preceded by a quantity selector showing '- 1 +' and is also labeled 'Add to Cart'.

- Product pages include downloadable assets in the carousel that you can also share on social media!

Make intimate moments together unforgettable with "O" Enhancement Cream. Powered by TriPlex Tingle™ for cool and exhilarating sensation, this is the most intense enhancement cream in the Pure Romance lineup. "O" blends sensory-enriching ingredients plus sweet flavor, essential oils, and menthol to help increase feelings of sensitivity and pleasure. Apply a pea-sized amount to the clitoris and/or penis to make it a night you and your partner won't be able to stop talking about.

This is "O" our enhancement cream and if you're wondering what it does, it's all in the name. Powered with a blend of sensory-enriching ingredients, this cream is the most intense enhancement we have at Pure Romance. It's sweet flavor, essential oils, and menthol all rolled into a potent blend that works for both the clitoris and penis. If you and your partner both want to use it, you only need a pea-sized amount each. Tease each other while the cream absorbs and then let that boost of sensitivity and arousal get you where you want to go in the bedroom.

Ordering Free Product

- Free Product and Credit On File balance can be quickly seen on your front-page dashboard.

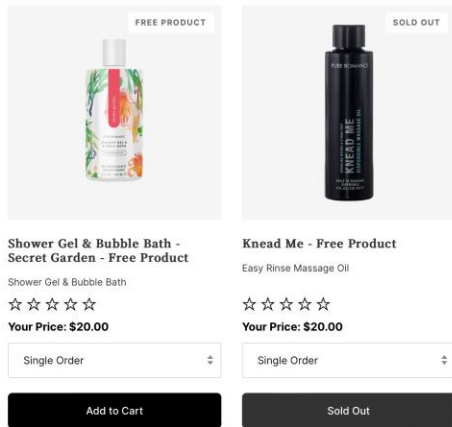

- Tap on Free Product from your dashboard to view expiration date and additional details.

A screenshot of a table titled "Free Products". The table has a light blue header and a white body. The columns are: Code, Type, Expiration Date, Status, Initial Amount, and Balance. There is one row of data with a copy icon to the right.

Code	Type	Expiration Date	Status	Initial Amount	Balance
		-	Active	\$1000.00	\$1000.00

- Place a Free Product order at the same time as a Regular order.
- To order Free Product, make sure to only shop from the Free Product category. A “Free Product” call out will be on the product image. Any products without this call out, are not eligible for a Free Product Order.
- When utilizing your Free Product balance for your order, remember to include your Free Product in your order BEFORE proceeding to the shipping & handling section during checkout. This ensures a seamless and hassle-free transaction!

- Similar filters, sorting and views are the same as a Regular order.
- If Free Product is sold out this will be showcased on the top right-hand corner of the photo in Grid view. The status in List View will showcase “Unavailable”. This item will not be available to use with Free Product Credits or added to cart.
- If Free Product is sold out this will be showcased on the top right-hand corner of the photo in Grid view. The status in List View will showcase “Unavailable”. This item will not be available to use with Free Product Credits or added to cart.

Your Free Product can be redeemed using a unique code, which you can find in two convenient locations on your Online Office:

1. Click on the person icon in the top right corner, then navigate to 'Account' on the left side of your screen and click 'Free Products.' This opens your Free Product virtual wallet, where you'll find all Free Product codes, expiration dates, and available balances assigned to each code. If you don't see any codes listed, it means you currently don't have any available.
2. You can also access your Free Product Virtual Wallet during the checkout process.

Here are some helpful tips for using Free Product:

- Ensure your Free Product items are in your cart when you proceed to checkout.
- During checkout, make sure to stay on the information screen; occasionally, the system may skip this step and go directly to shipping or payment.
- On the information screen, you'll find two virtual wallets: “Credit on File” and “Free Product” Virtual Wallet.
- To use your Free Product codes, simply select a code, and the system will apply your Free Product discount to your items. Then, enter your shipping details, choose your shipping method, and select your preferred payment method. You can also access your Credit on File Virtual Wallet if you have any available balance. Apply the code, and complete your checkout!

- From your cart you can change quantity and view savings or discounts. To remove a product, tap “remove” or change quantity to “0”.

- Las banderas de países solo te dan viabilidad para otros países. Si tus necesidades comerciales te obligan a ver productos fuera de tu país actual, selecciona la bandera que se aplique a tus necesidades. Las Consultoras no pueden realizar compras fuera de su país.
 - Verás contenido específico del país en tu Oficina en Línea para la bandera del país seleccionada. La barra de ofertas de la parte superior de la página incluirá información de ofertas basada en la dirección IP en la que se encuentra tu dispositivo.
- Las nuevas Consultoras aún tendrán que completar su "Asistente de Nueva Consultora" cuando inicien sesión por primera vez.

Mejoras generales

- Una barra de "Búsqueda" navegará contigo por todo el sitio, lo que te permitirá buscar todo el contenido, incluidos productos, contenido de entrenamiento, publicaciones de noticias ¡y más!
 - Ten en cuenta que la barra de búsqueda puede tener productos que no están disponibles en tu país. La disponibilidad por país se indica en los detalles del producto.

- Mis Fiestas ya no está disponible, y se anima a todas las Consultoras a utilizar PureShop. A las Consultoras Internacionales se les proporcionará otra solución, ya que PureShop no está disponible en algunos países.

- ¡El contenido del sitio de entrenamiento ahora está dentro de tu Oficina en Línea! ¡Para acceder al contenido, dirígete a la pestaña Entrenamiento!
- El panel de control de la página principal incluye un vistazo a las Referidas de los últimos 6 meses. ¡Accede rápidamente a su información de contacto desde aquí!

Make intimate moments together unforgettable with "O" Enhancement Cream. Powered by TriPlex Tingle™ for cool and exhilarating sensation, this is the most intense enhancement cream in the Pure Romance lineup. "O" blends sensory-enriching ingredients plus sweet flavor, essential oils, and menthol to help increase feelings of sensitivity and pleasure. Apply a pea-sized amount to the clitoris and/or penis to make it a night you and your partner won't be able to stop talking about.

This is "O" our enhancement cream and if you're wondering what it does, it's all in the name. Powered with a blend of sensory-enriching ingredients, this cream is the most intense enhancement we have at Pure Romance. It's sweet flavor, essential oils, and menthol all rolled into a potent blend that works for both the clitoris and penis. If you and your partner both want to use it, you only need a pea-sized amount each. Tease each other while the cream absorbs and then let that boost of sensitivity and arousal get you where you want to go in the bedroom.

Los productos gratis pueden redimirse al momento de finalizar la compra utilizando un código. Para determinar si tienes un código puedes mirar en dos lugares.

1. El primer lugar haciendo clic en el icono en la parte superior derecha de la pantalla, haz clic en cuenta, ve a la parte izquierda de la pantalla y haz clic en Productos Gratis. Ahora has abierto tu billetera virtual de Productos Gratis y verás una lista de códigos, fechas de expiración y saldos disponibles asignados a ese código. Si no ves códigos en tu billetera virtual significa que no tienes ninguno.
2. También puedes ver tu Billetera Virtual de Productos Gratis durante el proceso de finalización de la compra.

Consulta estos otros consejos para utilizar el crédito de Producto Gratis:

- Cuando vayas a tu carrito, asegúrate de que tu Producto Gratis esté en tu carrito.
- Haz clic en finalizar la compra - En ocasiones, el sistema omitirá la pantalla de información en finalizar la compra e irá directamente a la pantalla de envío o de pago.
- Para poder seleccionar un código de Producto Gratis deberás asegurarte de que te encuentras en la pantalla de información. Simplemente, ve debajo del logotipo de Pure Romance y pulsa información.
- Ahora que estás en la pantalla de información, verás que tienes 2 billeteras virtuales, una de Crédito en la Cuenta y otra de Producto Gratis.
- Para usar estos códigos, haz clic en uno de los botones, selecciona un código y el sistema lo aplicará.
- Verás tu descuento de Producto Gratis aplicado a tus productos. A continuación, llena tu información de envío, selecciona tu método de envío, a continuación, determina qué método de pago deseas utilizar o también podrías abrir tu billetera virtual de Crédito en la Cuenta si hay algo disponible. A continuación, ¡aplica el código y finaliza la compra!
