

BARR HILL®

BARR HILL VODKA

Distilled entirely with raw honey, we capture the essence of the wildflower fields and bring it straight to your glass.

BARR HILL GIN

Juniper-forward botanicals are brought to a perfect balance by the floral depth of the raw honey. The results are distinctive and unparalleled.

TOM CAT GIN

The robust character of the new oak barrel mingles with the coniferous quality of the juniper, yielding an enticing aroma. A touch of raw honey leaves this revolutionary spirit remarkably approachable.
