

BARR HILL®

BARR HILL VODKA

COSMOPOLITAN

2 oz Barr Hill Vodka
0.75 oz Cointreau
0.75 oz Fresh Lime Juice
0.5 oz Cranberry Juice

Shake with ice. Double strain into a coupe glass. Garnish with an orange twist.

Dale Degroff didn't invent these but made them very popular in the early 90s by serving them at The Rainbow Room with a flaming orange twist, and Madonna had a photo taken of her holding this pink cocktail and the drink took off. The show Sex and the City also had something to do with it in the late 90s. Thanks to its sudden immense popularity (and a lot of very poorly made Cosmos) people can poke fun at the cocktail today, but when made well it is undoubtedly delicious and it helped kickstart the modern cocktail renaissance.
