

BARR HILL®

TOM CAT GIN

HOT OFF THE PRESS

- 1 oz Tom Cat Gin
- 1 oz Amaro CioCiaro
- Build in a Mug
- Heat Separately:
- 6 oz Apple Cider
- 1 oz Fresh Orange Juice
- 0.5 oz Raw Honey Syrup
- 1 Cinnamon Stick

Using amaro is a nice way to spice up a drink instead of making an actual mulled cider. Experiment with different amari as you'd like. Some, like Montenegro, will be sweeter but delicious. Nardini will add a nice espresso / dark chocolate aroma, and others like fernet will just be too intense and mentholated.
