

BARR HILL®

TOM CAT GIN

MARTINEZ

- 2 oz Tom Cat Gin
- 1 oz Sweet Vermouth
- 1 tsp Maraschino Liqueur
- 2 dashes Orange Bitters
- 2 dashes Boker's Bitters

Stir with ice. Strain into a Nick & Nora glass. Garnish with an expressed orange twist.

Originally created in 1887, this is the predecessor to the modern martini cocktail. It was first created with the sweet vermouth and gin specs flipped, which makes a delicious, lower ABV, aperitif version as well.
