TOM CAT GIN

---

## THUNDER ROAD

---

- 2 oz Tom Cat Gin
- 1.5 oz Fresh Grapefruit Juice
- 0.5 oz Raw Honey Syrup

A play on the original brown derby cocktail which was made with bourbon, and named after a popular restaurant chain by the same name in LA in the mid 1900s. The first restaurant was shaped like a derby hat. Thunder Road is our version, named after a local race track near the distillery!

Shake with ice. Double strain into a coupe glass. Garnish with an expressed rosemary twist.
