This premium, upgraded quality cabinet is designed to last decades with little to no maintenance. In the unlikely event that you require access to the hot tub plumbing or equipment, all four panels are removable for easy service access.

Warranty

3 years parts & labour

5 years shell

10 years structure

All warranty work is completed by our dependable in house service team.

Made in Canada

Hydropool is located in Mississauga, Ontario. They started as a commercial pool company but by 1978 were one of North America's first hot tub retailers. They have been manufacturing their own hot tubs in Toronto since 1980 and focus on energy-efficient, self-cleaning models that help you spend less time on maintenance so you can spend time with those you love.
